In re: Allan H. BELL, ATTORNEY

PETITION FOR IMMEDIATE SUSPENSION

ON BEHALF OF EOIR: Paul A. Rodrigues
Disciplinary Counsel

ON BEHALF OF DHS: Catherine M. O'Connell
Disciplinary Counsel

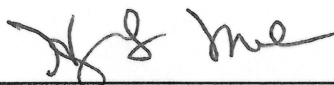

On April 1, 2019, the Supreme Court of Missouri suspended the respondent from the practice of law in Missouri on an interim basis, effective immediately. The court stated that "probable cause exists that the respondent is guilty of multiple instances of professional misconduct, and ... poses a substantial threat of irreparable harm to the public and to the integrity of the profession." The Disciplinary Counsel for the Executive Office for Immigration Review petitioned for the respondent's immediate suspension from practice before the Board of Immigration Appeals ("Board") and the Immigration Courts on April 24, 2019, and states that the respondent remains suspended from the practice of law in Missouri, as of the date of its filing. The Disciplinary Counsel for the Department of Homeland Security ("DHS") asks that the respondent be similarly suspended from practice before that agency. The petition will be granted.¹ See 8 C.F.R. §§ 1003.103(a)(1) and (4) (discussing grounds for immediate suspension).

ORDER: The petition is granted, and the respondent is immediately suspended from the practice of law before the Board, the Immigration Courts, and the DHS. 8 C.F.R. § 1003.103(a)(4).

FURTHER ORDER: The respondent shall promptly notify, in writing, any clients with cases currently pending before the Board, the Immigration Courts, or the DHS that the respondent has been suspended from practicing before these bodies.

FURTHER ORDER: The respondent shall maintain records to evidence compliance with this order.

FURTHER ORDER: The contents of this notice shall be made available to the public, including at Immigration Courts and appropriate offices of the DHS.

FOR THE BOARD

¹ The Board may set aside the order of immediate suspension upon a showing of good cause when it appears in the interest of justice to do so. 8 C.F.R. § 1003.103(a)(4).
