Data Generated: August 5, 2019

Data for period from September 24, 2018 through August 2, 2019

¹The term “family unit” is an apprehension classification used by the Department of Homeland Security (DHS), and EOIR does not generally differentiate “family unit” cases from other cases unless they are identified as such by DHS. Accordingly, the “family unit” cases represented in the chart do not include all cases of “family units” currently in immigration proceedings nationwide.
