Homeland Security published a final rule revising immigration and naturalization benefit request rules, premium processing time limits, and intercountry adoption requirements, premium processing time exemptions and fee waiver provisions. The final rule is effective October 2, 2020.

**SUMMARY:** On August 3, 2020, the final rule was the subject of FR Doc. 2020–16389. DHS has also published a rule to correct four technical errors in the final rule. See 85 FR 49941 (Aug. 17, 2020).

The Federal Register did not include the effective date of the rule in a table in the rule, and inserted text that was not in the signed document. In addition, DHS included amendatory instructions in the final rule that would inadvertently remove certain text that was not intended, not remove certain text that was intended to be removed, or, from a technical standpoint, result in grammatically incorrect phrasing or format.
