The information sessions are not open to press. All media inquiries should be directed to the Communications and Legislative Affairs Division at pao.eoir@usdoj.gov.

ECAS is part of an overarching information technology modernization effort at EOIR. Its goal is to phase out paper filing and processing, and to retain all records and case-related documents in electronic format. Once fully implemented, ECAS will further enable the timely, fair, and uniform adjudication of immigration cases across the agency while providing cost and time savings for all parties. EOIR plans to launch ECAS in all immigration courts by the end of FY 2021. For more information, visit the [ECAS online filing webpage](#).
