1. New Table for Selecting Riders When Uploading Supporting Documents

DHS Portal users will now see a new table with additional rider information when they are uploading documents. This will allow users to easily identify the correct rider cases for which the document should also be uploaded. The new table will display the following information for all riders associated with the alien registration number (A-Number) to which supporting documents are being uploaded: A-Number, Alien Name, and Initiation Date (Charging Document Date).

Upload documents to the following court case
