BILLING CODE 4310–MR–P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–548 and 731–TA–1289 (Review)]

Welded Stainless Steel Pressure Pipe From India; Scheduling of Expedited Five-Year Reviews

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (”the Act”) to determine whether revocation of the antidumping and countervailing duty orders on welded stainless steel pressure pipe from India would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: January 4, 2022.

General information concerning the Commission may also be obtained by accessing its internet server (https://www.usintc.gov). The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov.

SUPPLEMENTARY INFORMATION:

Background.—On January 4, 2022, the Commission determined that the domestic interested party group response to its notice of institution (86 FR 54470, October 1, 2021) of the subject five-year reviews was adequate and that the respondent interested party group response was adequate. The Commission did not find any other circumstances that would warrant conducting full reviews.1 Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on March 24, 2022. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,2 and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before March 31, 2022 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 31, 2022. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s Handbook on Filing Procedures, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

Issued: March 22, 2022.

Lisa Barton,
Secretary to the Commission.

Applies System (‘ECAS’), and Immigration Court Online Resource
(‘ICOR’).

FOR FURTHER INFORMATION CONTACT:
Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for
Immigration Review, 5107 Leesburg Pike, Falls Church, VA 22041, telephone

I. Background

EOIR is hosting the first of a series of
data engagement sessions regarding the Access EOIR Initiative. See
Executive Office for Immigration
Review, EOIR Announces ‘Access
EOIR’ Initiative: Agency Launches New
Council and Training Programs (Sept.
28, 2021), available at https://
www.justice.gov/eoir/pr/eoir-
announces-access-eoir-initiative. Access
EOIR is intended to improve access to
pertinent information and resources for
respondents and practitioners appearing
before the immigration courts and
general information of interest to
the public. Two efforts of the initiative will
be the focus of the online public forum
on March 30, 2022.

The first effort that will be addressed
is ECAS, which is part of an overarching
information technology modernization
effort at EOIR. ECAS was first
introduced in July 2018 to phase out
paper filing and processing and to retain
all records and case-related documents
in electronic format. ECAS supports the
full life cycle of immigration cases
including: Electronic filing of court and
appeals documents, processing and
receiving filings, maintaining electronic
Records of Proceedings (eROPs),
preparing case information, conducting
a hearing, and adjudicating appeals.
ECAS is now fully implemented at all
immigration courts and adjudication
centers and at the Board of Immigration
Appeals, and as of February 11, 2022,
DHS and all attorneys and fully
accredited representatives are required
to electronically file documents in all
cases eligible for electronic filing. 8 CFR
1003.2(g)(4), 1003.31(a); see also Executive Office for Immigration
Review Electronic Case Access and
Filing. 86 FR 70708 (Dec. 13, 2021)
(final rule implementing mandatory
electronic filing in eligible cases).

The second system that will be
addressed is ICOR, which is a web-
based and mobile friendly tool that
provides respondents, practitioners, and
other interested parties with a
centralized location for resources
pertaining to immigration proceedings
before EOIR. ICOR provides information
to help respondents learn about and
prepare for immigration proceedings,
including a tool to access general
information about the forms of relief
and protection from removal. ICOR also
provides information for practitioners,
including information on practice before
EOIR’s adjudicators. Currently, ICOR
is available in English, Spanish, Chinese,
Haitian Creole, Portuguese, and Punjabi.

II. Agenda

From 2:00–3:00 p.m. EDT on March
30, 2022, members of the public are
invited to provide feedback on ECAS
and its recent implementation
nationwide. Feedback that would be
most useful to the agency would include
comments—either positive or negative—
related to the ECAS user experience,
along with any suggestions for
improvements to ECAS now that its
functionality has been fully
implemented.

From 3:00–4:00 p.m. EDT on March
30, 2022, members of the public are
invited to provide feedback on ICOR.
The agency similarly welcomes all
feedback from the public, whether
positive or negative, regarding the
utility and functionality of ICOR, along
with any suggestions for changes or
improvements to ICOR.

Public Participation

This meeting is open to all members of
the public who RSVP to
EngagewithEOIR@usdoj.gov by 5:00
p.m. EDT on March 28, 2022, with the
name(s) of the attendee(s), any relevant
organization, and a valid email address.
EOIR will send webinar information and
an agenda to those who RSVP.

Attendance for this program will be
limited to 500 participants.

In addition, EOIR welcomes written
feedback from the public on these
topics. Written submissions are due no
later than 5:00 p.m. EDT on Friday,
April 29, 2022.

All media inquiries should be
directed to the Communications and
Legislative Affairs Division at pao.eoir@
usdoj.gov.
