## **EOIR to Hold National Stakeholder Meeting Regarding Internet-Based Hearings**

**SUMMARY:** The Executive Office for Immigration Review (EOIR) invites interested parties to attend a national stakeholder meeting regarding internet-based hearings. During the stakeholder meeting, EOIR senior leadership will clarify the agency's use of internet-based hearings, particularly in light of Director's Memorandum [22-07](#) issued earlier this month. The meeting will include time for questions and answers.

Internet-based hearings are hearings in which one or more participants do not physically appear in immigration court. EOIR expects internet-based hearings to continue to be integral to EOIR's operations and remains committed to ensuring all hearings, regardless of hearing medium, are uniform and just for all participants.
