

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

PETER J. HANNA

Claim No. CU-0004

Decision No. CU- **1823**

Under the International Claims Settlement  
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by PETER J. HANNA, in the amount of \$1,711.00, based upon the loss of certain unimproved real property located in Cuba. Claimant has been a national of the United States since his birth in the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

The evidence of record in this claim includes correspondence between the claimant and the United States Department of State; evidence of claimant's birth in the United States; and photostatic copies of cancelled checks evidencing the purchase of the unimproved real property which is the subject matter of this claim.

Based upon all of the evidence of record, including information available to the Commission, the Commission finds that claimant, PETER J. HANNA, was the owner of certain unimproved real property, to wit: a plot of land described as the south half of Lot 10, Section 2 of the Hacienda Santa Fe, located on the Isle of Pines, Cuba, and consisting of five acres.

On December 6, 1961, the Cuban Government published its Law 989 (Official Gazette, XXIII, No. 237, p. 23705) which confiscated all assets, personal property and real estate, rights, shares, stocks, bonds and securities of persons who had left the country. As the record shows, claimant resided in the United States at that time. The Commission finds, in the absence of evidence to the contrary, that the subject improved real property was taken by the Government of Cuba on December 6, 1961 pursuant to the provisions of Law 989.

Based on the entire record, including information available to the Commission, the Commission finds that the subject improved real property had a total value of \$1,712.00 at the time of loss, and concludes that claimant suffered a loss in that amount within the meaning of Title V of the Act.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased thereon at the rate of 6% per annum from December 6, 1961, the date on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that PETER J. HANNA suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Seven Hundred Twelve Dollars (\$1,712.00) with interest thereon at 6% per annum from December 6, 1961 to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
