

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

KWIKMRK, INC.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0029

Decision No. CU 1714

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by KWIKMRK, INC. in the amount of \$157.68, and is based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated,

intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of California in 1947, and that at all times between that date and presentation of this claim on June 14, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

An officer of the claimant corporation has stated that claimant shipped goods to Juan G. Velazquez of Havana, Cuba, in the amount of \$157.68 and that the invoice was No. 17164 dated January 30, 1959. In 1961, the consignee came to the United States, and attempted to pay claimant on the outstanding account. Mr. Velazquez sent claimant a certified check in the amount of \$157.68, drawn on the Trust Company of Cuba, and dated July 4, 1961, but claimant has never received the proceeds of the check.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See Claim of The Schwarzenbach Huber Company, Claim No. CU-0019, 25 FCSC Semiann. Rep. 61 [July-Dec. 1966]; and Claim of Etna Pozzolana Corporation, Claim No. CU-0049.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss of the \$157.68 occurred on September 29, 1959, the date of publication of Law 568.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the date on which the loss occurred, to the date on which provision is made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that KWIKMRK, INC. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Fifty-Seven Dollars and Sixty-Eight Cents (\$157.68) with interest thereon at 6% per annum from September 29, 1959 to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
