

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

MISMA COMPANY, INC.

Under the International Claims Settlement  
Act of 1949, as amended

Claim No. CU -0060

Decision No. CU **1568**

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by MISMA COMPANY, INC. in the amount of \$4,840.20, and is based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of Massachusetts in 1953, and submitted documentation establishing that at all times between 1953 and presentation of this claim on June 17, 1965, 100% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

The record contains copy of claimant's invoice of October 26, 1959 reflecting the sale to Kalman Wodonos y Cia. of Havana, Cuba, of goods totalling \$5,517.79, as to which freight, shipping and other attendant fees increased the total to \$6,213.72. Credits applied to this amount leave a net sum due claimant amounting to \$4,815.22. Additionally, the record includes a letter of March 8, 1960 from the First National Bank of Boston, to claimant, in which it is stated that the collection of \$4,815.22 was paid by the consignee (Kalman Wodonos y Cia.) on November 19, 1959 and that the collecting bank was still awaiting a dollar reimbursement release from the Exchange Control Board, a Cuban Government agency; and another letter dated May 24, 1960 from the Cuban Ministry of Foreign Affairs to claimant, stating that the Cuban Government had erroneously collected \$24.98 as consular fees for the invoiced shipment, and that the deducted amount was due claimant. Claimant states that it has not received any of the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See Claim of The Schwarzenbach Huber Company, Claim No. CU-0019, 25 FCSC Semiann. Rep. 58 [July-Dec, 1966].)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on November 20, 1959 as to \$4,840.20, the day after the collection was acknowledged by the collecting bank, and the day upon which all funds were to have been paid to claimant.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the date on which the loss occurred, to the date on which provision is made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that MISMA COMPANY, INC. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Four Thousand Eight Hundred Forty Dollars and Twenty Cents (\$4,840.20) with interest thereon at 6% per annum from the date of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
