OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

RITEPOINT CORPORATION

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0131

Decision No. CU

122

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, for \$175.32 was presented by RITEPOINT CORPORATION based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)]⁷, the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized,

expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

Claimant corporation was organized in 1954 in the State of Missouri under the name of Ritepoint Pen and Pencil Company, and the name was changed in 1964 to RITEPOINT CORPORATION.

An officer of the claimant corporation has certified that at all times between 1954 and presentation of this claim on June 25, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that all of its three stockholders are nationals of the United States.

The record contains copy of claimant's invoice No. R-40/43 12-2520 of December 21, 1959 reflecting the sale to Oscar Campa and Armando Bonet of Havana, Cuba, of goods totalling \$54.75, as to which freight, shipping and other attendant fees increased the total to \$58.29; and copy of his invoice No. R-18 11-2480 of November 25, 1959 reflecting the sale to Armando Bonet and Oscar de la Campa of Havana, Cuba, of goods totalling \$110.75 and as to which freight, shipping and other fees increased the total to \$117.03.

Additionally, the record includes a letter of March 2, 1960 from the Banco Continental Cubano, to claimant, in which it is stated that Banco Continental Cubano had filed an application for reimbursement with the Currency Stabilization Fund, a Cuban Government agency. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See In the Matter of the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on March 3, 1960 as to \$175.32, the day after the collections were acknowledged by the Banco Continental Cubano.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of American Cast Iron Pipe Company, FCSC Claim No. CU-0249).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof, as follows:

CERTIFICATION OF LOSS

The Commission certifies that RITEPOINT CORPORATION suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Seventy-Five Dollars and Thirty-Two Cents (\$175.32) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
