

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

RUST-OLEUM CORPORATION

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0353

Decision No. CU

434

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by RUST-OLEUM CORPORATION in the amount of \$1,346.25 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention, or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of Illinois on March 2, 1932 and that all times between that date and presentation of this claim on August 16, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that all of its stockholders are United States nationals.

The record contains a copy of claimant's invoice No. Z-59890 of August 31, 1959 reflecting the sale to Cia. Riera, Toro & Van Twistern, S.A., Havana, Cuba, of goods totalling \$1,119.04; and copies of a bill of lading, debit statement, bank instruction, notice of transportation charges, and invoice no. X-1479, reflecting charges for freight, consular, customs and other fees totalling \$193.64 on the goods shipped on February 15, 1960. Claimant states that bank drafts were drawn on the consignee for each amount.

The record also contains a copy of a letter addressed to claimant from its bank, the Continental Illinois National Bank and Trust Company of Chicago, dated September 21, 1961, advising claimant that the draft for \$1,119.04 had been paid provisionally in local currency. There is no record of payment of the other draft for \$193.64. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on September 22, 1961, the day after claimant was notified by its bank, as to \$1,119.04; and on March 18, 1960, thirty days after the date of shipment, as to \$193.64.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the losses occurred, to the date on which provision is made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that RUST-OLEUM CORPORATION suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Three Hundred Twelve Dollars and Sixty-Eight Cents (\$1,312.68) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
