

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

SIMKINS INDUSTRIES, INC.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 0468

Decision No. CU 250

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$28,668.72, was presented by SIMKINS INDUSTRIES, INC. and is based upon the asserted inability to obtain payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claimant asserts that its predecessor in interest, Tropical Board Sales Inc., shipped certain merchandise to Cuba for which payment was never received as a result of action by the Government of Cuba. Claimant states that it acquired Tropical Board Sales Inc. by merger in 1965. The record includes copies of Tropical Board Sales Inc. ledger statements. By Commission letter of July 15, 1966, claimant was advised as to the type of evidence proper for submission to establish this claim under the Act. Thereafter, by letter of October 21, 1966, the Commission urged the prompt submission of supporting evidence in this matter. However, no evidence in response to this correspondence has been received to date. On June 21, 1967, counsel was invited to submit any evidence available to him within 45 days from that date, and was informed, that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that it has failed to establish ownership by a national of the United States of rights and interests in property which was lost as a result of nationalization, expropriation, intervention or other taking by the Government of Cuba. Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
