

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

CENTURY ELECTRIC COMPANY

Under the International Claims Settlement  
Act of 1949, as amended

Claim No. CU - 0478

Decision No. CU 95

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, for \$5,811.91 was presented by CENTURY ELECTRIC COMPANY based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Section 503 of the International Claims Settlement Act of 1949, as amended (64 Stat. 12; 69 Stat. 562; 72 Stat. 527; 78 Stat. 1110; 79 Stat. 988) the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. That section provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

(a) . . . losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States, . . .

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized,

expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as ". . . (B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

Claimant corporation was organized in the State of Missouri on February 19, 1901. An officer of claimant corporation has certified that at all times between 1901 and presentation of this claim on October 4, 1965, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that 945 of its 947 stockholders were residents of the United States and assumes that substantially all of them were United States nationals; and that 2 stockholders were residents of foreign countries and assumed to be citizens of those countries.

The record contains a copy of claimant's invoice No. 63252-63268 of November 9, 1959 reflecting the sale to Pruna Escarra y Cia of Havana, Cuba, of goods totalling \$5,811.91.

Additionally, the record includes letters dated August 22, 1960 and November 21, 1960 from The Royal Bank of Canada (Havana, Cuba) to claimant, in which it is stated that the collection of \$5,811.91 was paid by the consignee, Pruna Escarra y Cia, and that The Royal Bank of Canada was awaiting a dollar reimbursement release from the Exchange Control Board, a Cuban Government agency. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous,

unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019.)

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on January 20, 1960, the day after the collection was acknowledged by The Royal Bank of Canada.

The Commission has decided that in payment of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be allowed at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of American Cast Iron Pipe Company, FCSC Claim No. CU-0249).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the date on which the loss occurred, to the date on which provisions are made for the settlement thereof.

#### CERTIFICATION OF LOSS

The Commission certifies that CENTURY ELECTRIC COMPANY suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Five Thousand Eight Hundred Eleven Dollars and Ninety-One

CU-0478

Cents (\$5,811.91) with interest thereon at 6% per annum from the date of loss to the date of settlement.
