

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

PHILIP GILBERT

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0708

Decision No. CU 3483

Counsel for claimant:

Noah Seedman, Esq.

PROPOSED DECISION

Claimant, PHILIP GILBERT, who owned a participation interest of 5,000 units in the Cuban-Venezuelan Oil Voting Trust, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$2,000.00 against the Government of Cuba because of its nationalization of said Trust.

In our decision entitled the Claim of Felix Heyman (Claim No. CU-0412 which we incorporate herein by reference), we held that the properties owned or controlled by the Trust were nationalized or otherwise taken by the Government of Cuba on November 23, 1959, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per unit of \$0.11971.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Heyman decision; that he was an American national at the requisite times; that he has been the owner of 2,000 units of participation in the Cuban-Venezuelan Oil Voting Trust since prior to November 23, 1959; and that he suffered a loss in connection therewith in the amount of \$239.42 within the meaning of Title V of the Act.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that claimant acquired additional units of Cuban-Venezuelan Oil Voting Trust, as shown below:

<u>No. of Units</u>	<u>Purchased</u>	<u>Amount Paid</u>
1,000	June 29, 1960	\$ 197.50
1,000	August 14, 1961	110.00
1,000	December 21, 1961	86.00

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on November 23, 1959. Claimant has been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed

securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimant, upon his purchase of the additional 3,000 units, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that he succeeded to and suffered a loss in connection therewith in the total amount of \$315.71 as follows:

<u>Units</u>	<u>Purchased</u>	<u>Value Certifiable</u>
1,000	June 29, 1960	\$ 119.71
1,000	August 14, 1961	110.00
1,000	December 21, 1961	<u>86.00</u>
		\$ 315.71

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the dates below, on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof:

<u>FROM</u>	<u>ON</u>
November 23, 1959	\$ 239.42
June 29, 1960	119.71
August 14, 1961	110.00
December 21, 1961	<u>86.00</u>
	\$ 555.13

CERTIFICATION OF LOSS

The Commission certifies that PHILIP GILBERT suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Five Hundred Fifty-five Dollars and Thirteen Cents (\$555.13) with interest at 6% per annum from the aforesaid dates to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities for the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
