OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

ELSIE S. ROSENBERG

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 1012

Decision No. CU 1213

Counsel for Claimant:

Robert B. Frank, Esquire

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ELSIE S. ROSENBERG based upon the loss of interests in bonds issued by the Cuba Northern Railways Company. Claimant has been a national of the United States at all times pertinent to this claim.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

CU-1012

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of 4 bonds in the original face amount of \$1000 each, issued by the Cuba Northern Railways Company and known as "First Mortgage Gold Bonds, 4%, due June 30, 1970" (originally First Mortgage Gold Bonds, 5-1/2%, due June 1, 1942), issued under an Indenture of July 1, 1927, with the First National City Bank of New York as Trustee. The bonds in question are Nos. TRM 3810 through TRM 3813, inclusive.

The Cuba Northern Railways, incorporated in Cuba, was wholly owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Northern Railways thus would not qualify as a national of the United States under Section 502(1) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record in this claim discloses that, prior to 1951, claimant was the owner of Cuba Northern Railways Company 5-1/2% Gold Bonds due June 1, 1942.

The record reflects that on April 4, 1933, Cuba declared a moratorium on mortgage indebtedness, which was later extended to June 1942. On June 4, 1940 a new Cuban Constitution was adopted, having certain "Transitory Provisions" which extended the maturity date on mortgage

indebtedness in excess of \$800,000 to June 30, 1970 and provided for interest at 1% and amortization by certain annual installments.

In 1952, pursuant to a "Plan for Readjustment of Bonded Debt of the Company", claimant surrendered her 5-1/2% Gold Bonds and received in exchange 4 First Mortgage Gold Bonds, 4%, due June 30, 1970. The interest on these bonds was payable on June 1 and December 1 of each year. The last payment of interest on these bonds was made on December 1, 1958.

The record shows that Cuba Northern Railways Company was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds, therefore, represented the debt of a nationalized enterprise as defined in Section 502(3) of the Act (supra).

The Commission concludes that as a result of the nationalization of the properties of the Cuba Northern Railways Company, claimant suffered a loss in connection with her bonds, within the meaning of Title V of the Act. (See the Claim of Kentucky Home Mutual Life Insurance Company, FCSC Claim No. CU-1339.)

Evidence of record establishes that each of the subject bonds had an outstanding principal balance of \$635.00 on October 13, 1960, the date of loss.

The Commission therefore finds that the amount of the unpaid indebtedness on claimant's bonds on October 13, 1960, the date of loss, was \$2730.24, including the principal amounts of \$635.00 on each bond, and the interest due on each of the 4 bonds in the amount of \$47.56 for the period December 1, 1958 to October 13, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644)

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that ELSIE S. ROSENBERG suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Thousand Seven Hundred Thirty Dollars and Twenty-Four Cents (\$2,730.24) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
