

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

SOCIETY OF THE HELPERS OF THE HOLY SOULS

Claim No. CU - 1495

Decision No. CU - 1421

Under the International Claims Settlement  
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$2,540.00, was presented by SOCIETY OF THE HELPERS OF THE HOLY SOULS, as beneficial owners, and is based upon the asserted loss of interests in bonds issued by the Cuba Northern Railways Company. No evidence in regard to the nationality of claimant has been submitted.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claimant asserts the ownership and loss of interests in bonds issued by the Cuba Northern Railways Company. However, no evidence was received in support of the claim, filed on April 14, 1967. Accordingly, by Commission letter of August 2, 1967, claimant was advised, through its trustee, as to the type of evidence proper for submission to establish this claim under the Act. Thereafter, by letter of October 25, 1967, the Commission made additional suggestions to claimant, through its trustee, concerning the submission of supporting evidence in this matter.

Thereafter, four original bonds, each in the original face amount of \$1,000.00, and each registered in the name of "Lowell and Co.", assertedly a nominee of the trustee, were submitted. However, claimant has failed to submit evidence of its United States nationality, or of its acquisition and ownership of the subject bonds at the time of loss.

On January 17, 1968, claimant was invited to submit any evidence available to it within 20 days from that date, and it was informed that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that it has failed to establish ownership, by a national or nationals of the United States, of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba. Accordingly, this claim is denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
