

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES

WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

COMET CORPORATION

Claim No. CU- 1751

Decision No. CU-1165

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$582.00, was presented by COMET CORPORATION and is based upon the asserted loss of payment for merchandise shipped to Cia. Importadora Radio City, S. A., Havana, Cuba. Claimant asserts that it is a national of the United States within the meaning of Section 502(1)(B) of the Act. In support of this assertion, the president of the claimant corporation submitted a statement that from January of 1950 to date 100% of the outstanding stock in claimant corporation has been owned by nationals of the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claimant asserts the ownership and loss of payment for merchandise shipped and billed to Cia. Importadora Radio City, S. A., Havana, Cuba, but has not submitted documentary evidence in support of this claim, filed with this Commission on April 21, 1967. By Commission letter of July 31, 1967, claimant was advised as to the type of evidence proper for submission to establish this claim under the Act. Evidence in response to this correspondence was not received.

On September 14, 1967, claimant was invited to submit any evidence available to it within 45 days from that date, and claimant was informed that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that it has failed to establish ownership of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba. Accordingly, this claim is denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
