

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

WALTER ROSEN

Under the International Claims Settlement  
Act of 1949, as amended

Claim No. CU - 2528

Decision No. CU  
2084

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$10,000.00 was presented by WALTER ROSEN, and is based on his interest in bonds issued by the Consolidated Railroads of Cuba. Claimant has been a national of the United States since his birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government

of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of two bonds in the original face amount of 5,000 pesos each issued by the Consolidated Railroads of Cuba and known as 3% Cumulative Income Debentures, due October 1, 2001, issued under an Indenture of February 1, 1953, with the United States Trust Company of New York as Trustee. The bonds in question are Nos. RV 9573 and RV 9574.

The record discloses that Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba) was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. This corporation was organized under the laws of Cuba and does not qualify as a corporate "National of the United States" defined under Section 502(1)(B) of the Act as a corporation or other legal entity organized under the laws of the United States, or any State, the District of Columbia or the Commonwealth of Puerto Rico, whose ownership is vested to the extent of 50 per centum or more in natural persons who are citizens of the United States. In this type of situation, it has been held previously that a bondholder of such a corporation is entitled to file a claim based upon his interest therein. (See Claim of Edward R. Smith, Claim No. CU-5001.)

Information available to the Commission establishes that the last payment of interest on the subject debenture was made on April 1, 1959; however, the nationalized enterprise owed, as of that date, a total of 14.3% of the face amount of the debenture issued for prior accumulation of unpaid interest. Claimant, therefore, sustained the loss of the face amount of his bonds, the 14.3% prior accumulation of interest, and

interest at 3% per annum from April 1, 1959 to October 13, 1960, the date upon which the enterprise was nationalized by the Government of Cuba.

As to the dollar value of the bond and interest, expressed in pesos, the Commission finds that the peso was valued at par with the dollar on the date of loss.

The Commission further finds that the amount of the unpaid indebtedness on claimant's bonds on October 13, 1960, the date of loss, was \$11,890.82 including the principal amount of \$10,000.00 and the interest due, to and including October 13, 1960, in the amount of \$1,890.82.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See Claim of Lisle Corporation, Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss to the date on which provisions are made for settlement thereof.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimant. However, in determining the amount of loss sustained, the Commission is not bound by any greater or lesser amounts which may be asserted by the claimant as the extent thereof.

CERTIFICATION OF LOSS

The Commission certifies that WALTER ROSEN suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Eleven Thousand Eight Hundred Ninety Dollars and Eighty-Two Cents (\$11,890.82) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
