2185

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by LAZAROS LAZARIDES, and is based upon the asserted loss of \$1842.23, sustained in connection with the ownership of a stock interest in Compania Litografica de la Habana, S.A. (Havana Lithographing Company), herein after referred to as Havana Lithographing. Claimant has been a national of the United States since his naturalization in 1924,

PROPOSED DECISION

Under Title V of the International Claims Settlement Act.of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

> losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownerhip of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an asignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

Claim is presented for an interest in stock issued by Havana Lithographing Company. The certificates are Nos. CLHC 27195, 27196 and 27197. On the basis of evidence of record, the Commission finds that claimant

acquired the above numbered certificates by purchase on March 1, 1962 for consideration of \$137.25.

On October 13, 1960, the Government of Cuba published Law 898 in its Official Gazette, which listed as nationalized Compania Litografica de la Habana, S.A. Accordingly, the Commission finds that Havana Lithographing a Cuban entity was nationalized by the Government of Cuba on October 13, 1960.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on October 13, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

CU-2712

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See <u>Claim of the</u> <u>Executors of the Estate of Julius S. Wikler, Deceased</u>, Claim No. CU-2571).

The Commission finds that claimant, upon his purchase of the securities, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that he succeeded to and suffered a loss in the total amount of \$137.25 (the price he paid as a result of the nationalization of the Havana Lithographing Company on October 13, 1960.)

The Commission has decided that in certification of loss on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the <u>Claim of Lisle</u> <u>Corporation</u>, FCSC Claim No. CU-0644).

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from March 1, 1962, the date on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof.
