

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

GERTRUDE LITTMAN

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 3367

Decision No. CU 496

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$850.00, was presented by GERTRUDE LITTMAN and is based upon asserted loss in connection with ownership of shares of stock in Havana Lithographing Company. Claimant has submitted no evidence to prove her United States nationality, although she states that she was born in the State of New York on March 24, 1915.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claimant bases her claim upon asserted ownership of 200 shares of stock in Havana Lithographing Company, but submitted no evidence in support of the claim. By Commission letter of July 5, 1967, it was suggested that claimant submit within 30 days her Certificate of Birth, the stock certificates, and evidence to establish the date of their purchase and the amount of consideration paid. In a reply dated July 10, 1967, claimant stated that her stock certificates were lost in 1964, and enclosed a letter of March 12, 1964 from The Marine Midland Trust Company of New York referring to an earlier request from her for replacement of lost stock certificates.

By Commission letter of July 13, 1967, it was suggested that claimant submit by August 15, 1967 her affidavit regarding ownership and loss of the certificates, evidence of the date of purchase and price paid, and her Certificate of Birth. No reply having been received, on September 18, 1967 claimant was invited to submit the suggested evidence within 15 days, and was informed that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that she has failed to establish ownership of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba. Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
