OF THE UNITED STATES
WASHINGTON, D.C. 20579**

IN THE MATTER OF THE CLAIM OF

JOHN R. LONGMIRE

**Under the International Claims Settlement
Act of 1949, as amended**

Claim No. CU -3368

Decision No. CU 139

Counsel for Claimant:

R. Walston Cubb, Esq.

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by JOHN R. LONGMIRE for \$10,000.00 based upon the asserted ownership and loss of a stock interest. Claimant has not indicated whether or not he is a national of the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§ 1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Claimant has based her claim on 500 shares of the Francisco Sugar Company.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

Documentation submitted to the Commission by the Francisco Sugar Company reflects that the Francisco Sugar Company was incorporated under the laws of the State of New Jersey. The Vice President of the Francisco Sugar Company has informed the Commission that over 50 per centum of the capital stock of said corporation is owned by United States citizens, which would qualify it as a United States national within the purview of Section 502(1)(B) of the Act.

Section 505(a) of the Act provides that

A claim under section 503(a) of this title based upon an ownership interest in any corporation, association, or other entity which is a national of the United States shall not be considered . . .

The Commission concludes that since this claim is based on a stock interest in a corporation which qualifies as a United States

national, the Commission is precluded, under Section 505(a) of the Act from considering this claim. Accordingly, it is hereby denied.

The Commission deems it unnecessary to make specific findings with respect to other elements of this claim.
