

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

ALPHONSE KNOEDLER

Claim No. CU-7580

Decision No. CU -4877

Under the International Claims Settlement  
Act of 1949, as amended

Represented by Cia. Azucarera Atlantica del Golfo

Counsel for Cia. Azucarera Atlantica del Golfo: Dewey, Ballantine, Bushby,  
Palmer & Wood  
By William C. Bush, Esq.

PROPOSED DECISION

Claimant, ALPHONSE KNOEDLER, who owned a stock interest in the Cia. Azucarera Atlantica del Golfo, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Drye decision; that he was an American national at the requisite times; that he has been the owner of 600 shares of stock in the Cia. Azucarera Atlantica del Golfo since prior to August 6, 1960; and that he suffered a loss in the amount of \$ 20,433.60 within the meaning of Title V of the Act. Further, the Commission finds that the amount of loss sustained shall be increased by interest thereon at the rate of 6% per annum from August 6, 1960, the date of loss, to the date on which provisions are made for the settlement thereof.

(See Drye, supra.)

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

On the basis of evidence of record, the Commission finds that claimant acquired another 400 shares of Atlantica by purchase, 200 on January 19, 1962 and 200 on March 22, 1962 for an unknown consideration.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

CU-7580

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

By Commission letter of January 27, 1969, claimant was advised, as to the type of evidence proper for submission to establish this item of claim under the Act.

The Commission finds that claimant has not met the burden of proof in that he has failed to establish the amount of consideration paid for the last named 400 shares of Atlantica stock. Thus, the Commission is constrained to deny this item of claim and it is hereby denied.
