Act of 1949, as amended

Claim No. CU -7673

Decision No. CU 5702

PROPOSED DECISION

Claimant, ROBERT L. LUCK, who owned a stock interest in the Cia. Azucarera Atlantica del Golfo, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Drye decision and that he was an American national at the requisite times.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date

of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

On the basis of evidence of record, the Commission finds that claimant acquired 150 shares of stock of Atlantica del Golfo Sugar Company by purchase on January 17, 1962 for a consideration of \$197.49.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of Samuel J. Wikler, et al., Claim No. CU-2571, 1968 FCSC Ann. Rep. 47.)

Section 507 of the Act provides, as to assignment of claims,  
that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Commission finds that claimant, as an assignee by purchase, acquired the claim for the loss sustained by the assignor of the claimed securities, but under the limitations provided in Section 507 of the Act (supra), is limited to \$197.49, the actual consideration paid for these shares.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from January 17, 1962, the date on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that ROBERT L. LUCK suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Ninety-seven Dollars and Forty-nine Cents (\$197.49) with interest at 6% per annum from January 17, 1962 to the date of settlement.

AMENDED FINAL DECISION

Under date of September 16, 1970, the Commission entered a Proposed Decision, denying this claim for lack of proof as to ownership by claimant of 200 shares of stock in Atlantica del Golfo Sugar Company on August 6, 1960, the date of loss. This decision was entered as final on October 21, 1970.

Subsequently, claimant submitted new evidence establishing that he had owned 200 shares of such stock since prior to August 6, 1960. Claimant's communication is deemed to be a request to reopen the claim pursuant to the governing regulations of the Commission. (FCSC Reg., 45 C.F.R. §531.5(1) (1970).)

Upon consideration of the new evidence in the light of the entire record, it is

ORDERED that the claim be reopened, that the Final Decision of October 21, 1970 be and it is hereby amended.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American

national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Drye decision; that he was an American national at the requisite times; that he has been the owner of 200 shares of stock in the Cia. Azucarera Atlantica del Golfo since prior to August 6, 1960; and that he suffered a loss in the amount of \$6,811.20 within the meaning of Title V of the Act. Further, the Commission finds that the amount of loss sustained shall be increased by interest thereon at the rate of 6% per annum from August 6, 1960, the date of loss, to the date on which provisions are made for the settlement thereof. (See Drye, supra.)

Accordingly the following certification of loss will be entered and in all other respects the Proposed Decision is affirmed.

The Commission certifies that JAMES A. GOODSON suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Six Thousand Eight Hundred Eleven Dollars and Twenty Cents (\$6,811.20) with interest at 6% per annum from August 6, 1960 to the date of settlement.
