FINAL DECISION

Under date of January 6, 1971, the Commission issued its Proposed Decision on this claim in which the Certification of Loss was limited pursuant to Section 507(b) of the Act. Since claimant had acquired a portion of his claim, based upon shares of stock in the Cuban corporation in question, subsequent to August 6, 1960, the date the claim arose, the Commission found that claimant sustained a loss in the principal amount of \$17,683.00, representing the consideration actually paid by claimant for the claim.

Counsel for claimant filed objections based upon two principal grounds; namely, (1) that neither the language of Section 507(b) nor the legislative history of the statute provides a valid basis for the retroactive application of the section to transactions that occurred prior to enactment; and (2) that in the absence of clear legislative intent, Section 507(b) must be applied prospectively.

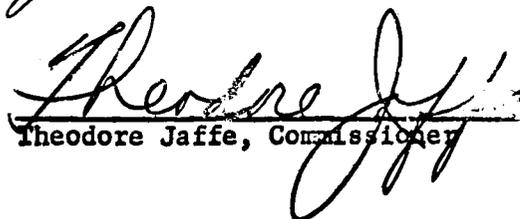

The Commission has consistently interpreted Section 507(b) of the Act as applicable to any claim under the statute acquired by purchase after the date the claim arose and prior to the date of filing with the Commission. (See Claim of Samuel J. Wikler, et al., Claim No. CU-2571, 1968 FCSC Ann. Rep. 47, cited in the Proposed Decision on this claim.)

Upon consideration of the entire record, the Commission finds no valid basis for altering the decision on this claim previously entered, and therefore affirms the Proposed Decision in all respects.

PROPOSED DECISION

Claimant, EDWIN I. RUBIN, who owned a stock interest in the Cia. Azucarera Atlantica del Golfo, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Dyre decision; that he was an American national at the requisite times; that he has been the owner of 500 shares of stock in the Cia. Azucarera Atlantica del Golfo since prior to August 6, 1960; and that he suffered a loss in the amount of \$17,028.00 within the meaning of Title V of the Act, in that connection.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

On the basis of evidence of record, the Commission finds that claimant acquired another 500 shares of Atlantica stock by purchase on November 25, 1960 for a consideration of \$655.00.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of Samuel J. Wikler, et al., Claim No. CU-2571, 1968 FCSC Ann. Rep. 47.)

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Commission finds that claimant, as an assignee by purchase, acquired the claim for the loss sustained by the assignor of the last purchased 500 shares, but under the limitations provided in Section 507 of the Act (supra), is limited to \$655.00, the actual consideration paid for these shares.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the dates below, to the date on which provisions are made for the settlement thereof:

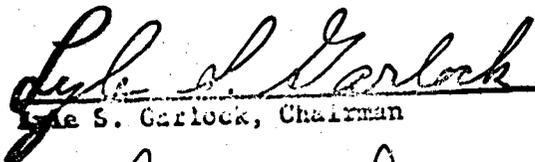

<u>FROM</u>	<u>ON</u>
August 6, 1960	\$17,028.00
November 25, 1960	<u>655.00</u>
	\$17,683.00

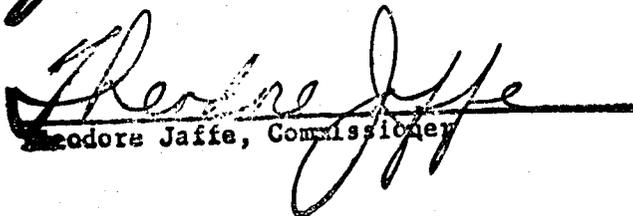

CERTIFICATION OF LOSS

The Commission certifies that EDWIN I. RUBIN suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Seventeen Thousand Six Hundred Eighty-Three Dollars (\$ 17,683.00) with interest at 6% per annum from the aforesaid dates to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders. (FCSC Reg., 45 C.F.R. 531.5(e) and (g), as amended, 32 Fed. Reg. 412-13 (1967).)
