AMENDED PROPOSED DECISION

By Proposed Decision issued August 19, 1970, the Commission denied this claim for failure of proof. Since then, satisfactory evidence has been submitted, and the Proposed Decision is hereby amended.

Claimant, ERIC E. SELDEN, who owned a stock interest in the Cia. Azucarera Atlantica del Golfo, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Drye decision; that he was an American national at the requisite times; that he has been the owner of 100 shares of stock in the Cia. Azucarera Atlantica del Golfo since prior to August 6, 1960, and that he suffered a loss in the amount of \$3,405.60 within the meaning of Title V of the Act. Further, the Commission finds that the amount of loss sustained shall be increased by interest thereon at the rate of 6% per annum from August 6, 1960, the date of loss, to the date on which provisions are made for the settlement thereof. (See Drye, supra.)

Accordingly, the following Certification of Loss will be entered and in all other respects the Proposed Decision is affirmed.

CERTIFICATION OF LOSS

The Commission certifies that ERIC E. SELDEN suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Three Thousand Four Hundred Five Dollars and Sixty Cents (\$3,405.60) with interest at 6% per annum from August 6, 1960 to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ERIC E. SELDEN and is based upon the asserted loss of a stock interest.

Claimant states that he is a national of the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including interational law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Claim is based on loss arising from asserted ownership of 100 shares of stock of Cia. Azucarera Atlantica del Golfo.

By Commission letter of March 20, 1968, claimant was advised, through counsel, as to the type of evidence proper for submission to establish this claim under the Act. Thereafter, by letters of May 28, 1968 and January 9, 1969, the Commission made additional suggestions to claimant, concerning the submission of supporting evidence in this matter.

On January 30, 1970, claimant was invited to submit the suggested evidence within 45 days from that date, and he was informed, that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that he has failed to establish ownership of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba. Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
