

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF:

JAIME AGUET

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU 8224

Decision No. CU 1753

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$348,000.00, was presented by JAIME AGUET, and is based upon the asserted loss of improved real property and personal property located in Cueto and Holguin, Oriente, Cuba.

Claimant states that he is not a national of the United States but that he is a citizen of Cuba who arrived in the United States during July of 1967.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

Section 502(1) of the Act defines the term "national of the United States" to mean "(A) a natural person who is a citizen of the United States." The term does not include aliens.

Thus, in order for the Commission to favorably consider claims under Section 503(a) of Title V of the Act, it must be established (1) that the subject property was owned in whole or in part by a national of the United States on the date of nationalization or other taking; and (2) that the claim arising as a result of such nationalization or other taking has been continuously owned thereafter in whole or in part by a national or nationals of the United States to the date of filing with the Commission.

According to claimant's statements he is not a national of the United States. Therefore, even if it were to be assumed that claimant was the owner of the subject matter claimed, and that such were taken by the Government of Cuba, it is clear that this claim was not owned

by a national of the United States on the date on which it was filed with the Commission.

Accordingly, the Commission concludes that this claim is not valid under Title V of the Act in that it was not owned by a national of the United States on the date of filing with the Commission and, therefore, is hereby denied.

The Commission deems it unnecessary to make determinations with respect to other elements of this claim.
