OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

OSCAR F. SMITH, 3d
and
MARJORIE G. SMITH

Claim No. CU-8356

Decision No. CU -6757

Under the International Claims Settlement
Act of 1949, as amended

Represented by Tropical Gas Co.

Counsel for Tropical Gas Company, Inc.:

Smathers & Thompson
By Robert F. O'Malley, Esq.

FINAL DECISION

By Proposed Decision issued August 11, 1971, the Commission denied this claim as the record did not appear to establish that these claimants owned stock in Tropical Gas Company since prior to August 26, 1960. Since that time clarification has been submitted by Counsel for Tropical Gas Company, on behalf of the shareholder. Accordingly the Commission amends the Proposed Decision in this matter.

In our decision entitled the Claim of L. Clyde Carter (Claim No. CU-6363 incorporated herein by reference), the Commission held that the properties owned by the Company were intervened by the Government of Cuba on August 26, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share as \$4.5885.

At the time of intervention, Tropical's preferred shareholders suffered no loss; and the common shares outstanding were 743,118. Subsequent issues not in existence on August 26, 1960 are not compensable (see Carter, supra).

On the basis of evidence of record, the Commission finds that these claimants, American nationals at the requisite times, come within the terms of the Carter decision; have been the owners of 500 shares of common stock in Tropical Gas Company since prior to August 26, 1960; and suffered a loss in the amount of \$2,294.25 within the meaning of Title V of the Act.

Further, the Commission holds that the amount of loss shall be increased by interest thereon at the rate of 6% per annum from August 26, 1960, the date of loss, to the date on which provisions are made for settlement thereof. (See Carter, supra.)

Accordingly, the following Certification of Loss will be entered and in all other respects the Proposed Decision as amended herein is affirmed.

CERTIFICATION OF LOSS

The Commission certifies that OSCAR F. SMITH, 3d and MARJORIE G. SMITH suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Thousand Two Hundred Ninety-Four Dollars and Twenty-Five Cents (\$2,294.25) with interest at 6% per annum from August 26, 1960 to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or, if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

PROPOSED DECISION

Claimants, OSCAR F. SMITH, 3d and MARJORIE G. SMITH, who owned a stock interest in Tropical Gas Company, Inc., assert a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of L. Clyde Carter (Claim No. CU-6363 incorporated herein by reference), the Commission held that the properties owned by the Company were intervened by the Government of Cuba on August 26, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share as \$4.5885.

At the time of intervention, Tropical's preferred shareholders suffered no loss; and the common shares outstanding were 743,118. Subsequent issues not in existence on August 26, 1960 are not compensable (see Carter, supra).

On the basis of evidence of record, the Commission finds that these claimants owned only stock issued subsequent to August 26, 1960, and therefore suffered no loss on August 26, 1960, within the meaning of Title V of the Act.

Accordingly, for the foregoing reasons, this claim is hereby denied.
The Commission finds it unnecessary to make determinations with respect to
other elements of this claim.
