#### Submit a Complaint through the Sentinel Database

FEDERAL TRADE COMMISSION PROTECTING AMERICA'S CONSUMERS FTC COMPLAINT ASSISTANT

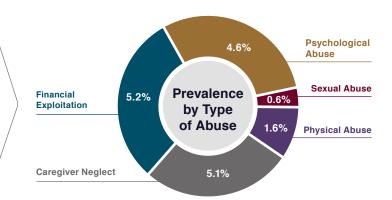

The Sentinel Database is a voluntary reporting system that helps the federal government detect patterns of consumer financial fraud throughout the United States.

## Build Strong Support for Older Americans by Learning More about Elder Abuse

### **Elder Abuse**

Is an intentional act or failure to act by a caregiver or another person in a relationship involving an expectation of trust that causes or creates a risk of harm to an older adult. It is a term under which five types of abuse are reflected.

### **Prevalence of Elder Abuse**

At least 10% of adults age 60 and older will experience some form of elder abuse in a given year, with some older adults simultaneously experiencing more than one type of abuse.

### The Consequences of Elder Abuse

The trauma of elder abuse may result in health issues like deterioration in health, hospitalization and increased mortality, clinical issues like depression and suicide, social issues like disrupted relationships, and financial loss, all leading to diminished independence and quality of life.
