How Can I Report Suspicion of Elder Abuse in U.S. Virgin Islands?

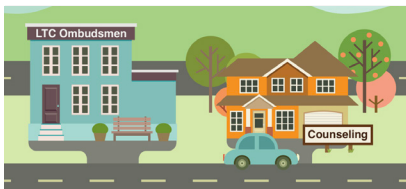

To report suspected abuse, neglect or exploitation of elderly persons or adults with disabilities, call the Department of Human Services:

St. Thomas:
340-774-0930

St. Croix:
340-773-2323

St. John:
340-776-6334

To request adult protective services, fill out this [form](#) and check adult protective services under Services Received/Needed. For more information, visit [Senior Citizen Affairs](#). Please report even if you do not know all the answers or have proof of abuse.

State by State Services Locator

Find elder abuse services in your state.

Submit a [Complaint](#) through the Sentinel Database

The Sentinel Database is a voluntary reporting system that helps the federal government detect patterns of consumer financial fraud throughout the United States.

Build Strong Support for Older Americans by Learning More about **Elder Abuse**

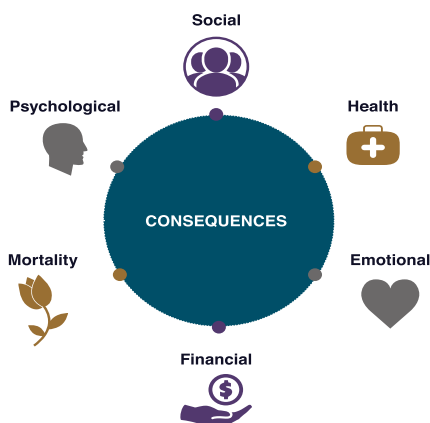

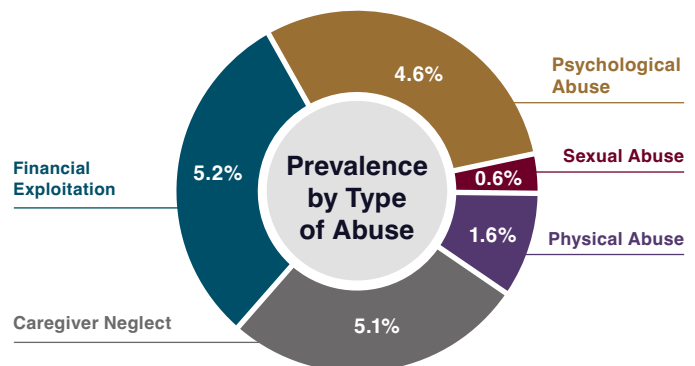

Elder Abuse

Is an intentional act or failure to act by a caregiver or another person in a relationship involving an expectation of trust that causes or creates a risk of harm to an older adult. It is a term under which five types of abuse are reflected.

Prevalence of Elder Abuse

At least 10% of adults age 60 and older will experience some form of elder abuse in a given year, with some older adults simultaneously experiencing more than one type of abuse.

The Consequences of Elder Abuse

The trauma of elder abuse may result in health issues like **deterioration in health, hospitalization and increased mortality**, clinical issues like **depression and suicide**, social issues like **disrupted relationships**, and financial loss, all leading to **diminished independence and quality of life**.
