Hello Commissioners:

Thank you once again for your continued work on and support for the President's Commission on Law Enforcement and the Administration of Justice. This week we again had several important panels, including a discussion on the benefits of and needs related to accreditation, as well two panels on community engagement, use of force, and respect for law enforcement. We averaged 74 Commissioners, Working Group Chairs and Members, federal program staff, and media across this week's hearings, which is a testament to your commitment to this work. Our hearings will commence again next week with one panel and another great group of distinguished witnesses to provide you with testimony related to Community Engagement and Respect for Law Enforcement. We will provide you with all materials, including the hearing agenda, and witness bios and testimony prior to the hearing.

Again, we appreciate your continued contributions in conducting these hearings by telephone. Thank you for your service and support, and we look forward to hearing from you soon.

Phil Keith, Chair

President's Commission on Law Enforcement and the Administration of Justice
