Good Afternoon, Commissioners:

Either Vice-Chair Sullivan and I have spoken to you in recent days to provide updates, but one of the few remaining items to complete the report is your final review of the last two chapters, which are the Technology Chapter and Respect for Law Enforcement and Rule of Law. As we discussed, we are quickly finalizing the other chapters and report material, and are asking for you to review and provide any feedback you have on these two chapters **no later than Monday, November 16 at 2 PM EST.**

Please note that these chapters will go through additional copy editing and layout, and based on copy editing and layout, the chapter and recommendation numbers will change in the final report.

On behalf of Attorney General Barr, know that your many contributions and dedication continue to be appreciated as we complete the final steps in preparation for the delivery of the report. Please don't hesitate to reach out to me if you have any questions, and thank you in advance for your review.

Regards,

Phil Keith, Chair
President's Commission on Law Enforcement and the Administration of Justice

Importance: High

Hello, Commissioners –

Over the last several weeks, we have been busy editing the chapters to ensure that the recommendations are as high-level and impactful as possible. We are still on track for a Commission report release in October, however we would appreciate one final round of Commissioner review and comment on these drafts. Please note that these chapters will go through additional copy editing and layout, so we ask that you please reserve your comments to any significant suggestions or questions. After copy editing and layout, the chapter and recommendation numbers will change in the final report once it is finalized.

We plan for sequencing this final review by sending you the first five chapters today, the second five chapters this Wednesday, and the final five chapters Friday. Because of the limited number of days remaining before the release of the report, we are asking that any comments on chapters for all three batches be provided back to this email address **within two business days or sooner, and no later than Wednesday, September 23 at 12 PM ET** for these five chapters.

I understand your many competing priorities, however this final review is a critical step in completing the Commission's report, which is a culmination of the last eight months of your work. I continue to appreciate your commitment and dedication to the work of this Commission. Please do not hesitate to let me know if you have any questions.

Regards,

Phil Keith, Chair
