C. On February 21, 2018, Relator Mansukhani filed a *qui tam* action in the United States District Court for the Central District of California captioned *United States and the State*

of California *ex rel. Martin Mansukhani v. Prime Healthcare Services, Inc., et al.*, Civil Action No. 5-18-cv-00371-RGK (C.D. Cal.) (Doc. 1), seeking damages and other relief pursuant to the *qui tam* provisions of the False Claims Act, 31 U.S.C. § 3730(b), the California False Claims Act, Cal. Gov't Code § 12652(c), and the Insurance Frauds Prevention Act, Cal. Ins. Code § 1871.7(e) (the "Mansukhani Civil Action"). On April 24, 2020, Relator Mansukhani filed his Second Amended Complaint (Doc. 63), which remains the operative complaint. Relator Mansukhani's original *qui tam* Complaint (Doc. 1), Relator Mansukhani's First Amended Complaint (Doc. 34), and Relator's Second Amended Complaint (Doc. 63) shall be referred to collectively as "Relator Mansukhani's Complaint." Relator Mansukhani alleges, among other things, that the Prime Defendants and the Siva Defendants violated the Federal and California False Claims Acts by submitting, or causing the submission of, claims for payment to Medicare, Medi-Cal, and TRICARE that were false and/or fraudulent due to underlying violations of the Anti-Kickback Statute, 42 U.S.C. § 1320a-7b(b) ("AKS"), and the Stark Law, 42 U.S.C. § 1395nn, arising from the sale of Dr. Siva's physician practice, HDHI, and his surgery center, A&A, to HDHVI, and Dr. Siva's subsequent contractual relationship with HDHVI. The Mansukhani Civil Action additionally alleges that the Prime Defendants violated the Federal and California False Claims Acts by submitting or causing the submission of false and/or fraudulent claims for payment for implantable medical devices to Medicare, Medi-Cal, and other Federal health care programs to receive higher reimbursements.

D. On April 14, 2018, Marsha Arnold and Joseph Hill filed a *qui tam* action in the United States District Court for the Central District of California captioned *United States and the State of California ex rel. John Doe Number One and John Doe Number Two v. Prime Healthcare Services, Inc., et al.*, Case No. LACV 18-02124-FMO (AFMx) (C.D. Cal.) (the

Prime Healthcare, Dr. Reddy, Dr. Siva Arunasalam Settlement Agreement with the United States and California

“Arnold Civil Action”). The Arnold Civil Action was subsequently transferred to another district court judge and is now numbered LACV 18-02124-FLA (AFMx). The Arnold Civil Action alleges, among other things, that the Prime Defendants submitted false and/or fraudulent claims for payment for implantable medical devices to Medicare, Medi-Cal, and other Federal health care programs to receive higher reimbursements.

E. The United States contends that the Prime Defendants submitted or caused to be submitted claims for payment to the Medicare Program, Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395-1395lll (“Medicare”); the Medicaid Program, 42 U.S.C. §§ 1396-1396w-5 (which in California is called “Medi-Cal”); the TRICARE Program, 10 U.S.C. §§ 1071-1110b (“TRICARE”); the Federal Employees Health Benefits Program, 5 U.S.C. §§ 8901-8914 (“FEHBP”); the CHAMPVA program of the Department of Veterans Affairs, Veterans Health Administration, 38 U.S.C. Chapter 17; and the FECA of DOL-OWCP, 5 U.S.C. § 8101 *et seq.*

F. The United States contends that the Siva Defendants submitted or caused to be submitted claims for payment to the Medicare Program, Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395-1395lll (“Medicare”); the Medicaid Program, 42 U.S.C. §§ 1396-1396w-5 (which in California is called “Medi-Cal”); the TRICARE Program, 10 U.S.C. §§ 1071-1110b (“TRICARE”); and the CHAMPVA program of the Department of Veterans Affairs, Veterans Health Administration, 38 U.S.C. Chapter 17.

G. California contends that the Prime Defendants submitted or caused to be submitted claims for payment to Medi-Cal.

H. California contends that the Siva Defendants submitted or caused to be submitted claims for payment to Medi-Cal.

I. The United States and California each contend that they have certain civil claims against the Prime Defendants arising from the conduct described in Recitals I.1, I.2, I.3, and I.4; and against the Siva Defendants arising from the conduct described in Recitals I.1, I.2, and I.3 (hereafter referred to as the “Covered Conduct”), alleged as follows:

1. Prime Defendant HDHVI’s acquisition of Dr. Siva’s Physician Practice and Ambulatory Surgery Center Violated the Anti-Kickback Statute and California Welfare and Institutions Code § 14107.2.

The United States and California contend that the October 30, 2015 acquisition of Dr. Siva’s physician practice and surgery center by Prime Defendant HDHVI, which was substantially negotiated by Dr. Reddy, violated the AKS and California Welfare and Institutions Code § 14107.2 because the compensation provided by HDHVI was based on or took into account the volume and/or value of Dr. Siva’s referrals to Prime’s Desert Valley Hospital (“DVH”), the purchase price exceeded fair market value, and the acquisition and immediate closure of the surgery center was not commercially reasonable. The United States and California further contend that from October 30, 2015 through March 31, 2020, Prime Defendants DVH’s and HDHVI’s submission of claims for payment to Federal health care programs for medical services associated with patients referred by Dr. Siva violated the False Claims Act, 31 U.S.C. §§ 3729-3733, the AKS, Cal. Welf. & Inst. Code § 14107.2, and the California False Claims Act, Cal. Gov’t Code § 12650 et seq.

2. Dr. Siva’s Contractual Agreements with HDHVI Violated the Anti-Kickback Statute and California Welfare and Institutions Code §14107.2.

The United States and California contend that the compensation paid by Prime Defendant HDHVI to Dr. Siva for his professional services under the Provider Employment Agreement from October 30, 2015 through August 31, 2017, and under the Service Agreement from September 1, 2017 through March 31, 2020, which were substantially negotiated by Dr. Reddy,

violated the AKS and Cal. Welf. & Inst. Code § 14107.2 because the compensation was based on, or took into account, the volume and/or value of Dr. Siva's referrals to DVH. The United States and California further contend that from October 30, 2015 to March 31, 2020, Prime Defendants DVH's and HDHVI's submission of claims for payment to Federal health care programs for medical services associated with patients referred by Dr. Siva violated the False Claims Act, 31 U.S.C. §§ 3729-3733, the AKS, Cal. Welf. & Inst. Code § 14107.2, and the California False Claims Act, Cal. Gov't Code § 12650 et seq.

3. The Prime Defendants and the Siva Defendants Submitted or Caused to Be Submitted to Medicare and Medi-Cal Claims for Professional Services Performed by a Physician Whose Billing Privileges Had Been Revoked by the Medicare and Medi-Cal Programs.

The United States and California contend that Prime Defendant HDHVI and the Siva Defendants received reimbursements from the Medicare and Medi-Cal programs for professional services rendered by Dr. George Ponce, who used Dr. Siva's billing numbers to bill for services provided to Medicare beneficiaries from February 1, 2015 through November 29, 2017, and for services provided to Medi-Cal beneficiaries from June 30, 2015 through July 6, 2017. The United States and California further contend that the Prime Defendants and the Siva Defendants knew that Dr. Ponce's Medicare billing privileges were revoked and he was suspended from participating in Medi-Cal when Dr. Ponce used Dr. Siva's numbers to bill Medicare and Medi-Cal, and knew that it was improper for a provider with these billing sanctions to bill those programs for his services under the billing number of another physician.

4. The Prime Defendants Submitted or Caused to Be Submitted False Claims for Payment for Implantable Medical Devices to Federal and State Healthcare Programs.

The United States and California contend that the Prime Defendants submitted or caused to be submitted false claims involving implantable medical devices for payment to the Medi-Cal program, the Blue Cross Federal Employee Plan of the FEHBP, and the Department of Labor OWCP's FECA Program. The Covered Conduct in this Recital I.4 is limited to the 45 claims identified in Exhibit A hereto. The Covered Conduct in this Recital I.4 is limited to the Prime Defendants.

J. This Agreement is neither an admission of liability by the Prime Defendants or the Siva Defendants, nor a concession by the United States or California, that their claims are not well founded.

K. The Prime Defendants generally deny all allegations in the Mansukhani Civil Action and the Arnold Civil Action and specifically deny the allegations of the United States and the State of California in Paragraphs I.1, I.2, I.3, and I.4. The Siva Defendants generally deny all allegations in the Mansukhani Civil Action and specifically deny the allegations of the United States and the State of California in Paragraphs I.1, I.2, and I.3.

L. Relator Mansukhani and Relators Arnold and Hill each claim entitlement under 31 U.S.C. § 3730(d) and Cal. Gov't Code § 12652(g) to a share of the proceeds of this Agreement, and to Relator Mansukhani's and Relators Arnold and Hill's reasonable expenses, attorneys' fees and costs. Relators Arnold and Hill also allege claims for wrongful termination and retaliation under 31 U.S.C. §3730(h), Cal. Gov. Code § 12653, and Cal. Labor Code § 1102.5.

To avoid the delay, uncertainty, inconvenience, and expense of protracted litigation of the above claims, and in consideration of the mutual promises and obligations of this Agreement, the Parties agree and covenant as follows:

Code § 12653, and Cal. Labor Code § 1102.5.

29. The Prime Defendants and the Siva Defendants waive and shall not assert any defenses they may have to any criminal prosecution or administrative action relating to the Covered Conduct that may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Agreement bars a remedy sought in such criminal prosecution or administrative action.

30. The Prime Defendants and the Siva Defendants fully and finally release the United States, its agencies, officers, agents, employees, and servants, from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that the Prime Defendants and the Siva Defendants have asserted, could have asserted, or may assert in the future against the United States, its agencies, officers, agents, employees, and servants, related to the Covered Conduct or the United States' investigation or prosecution thereof.

31. The Prime Defendants and the Siva Defendants fully and finally release California, its agencies, officers, agents, employees, and servants, from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that the Prime Defendants and the Siva Defendants have asserted, could have asserted, or may assert in the future against California, its agencies, officers, agents, employees, and servants, related to the Covered Conduct or California's investigation or prosecution thereof.

asserted, or may assert in the future against Relator Mansukhani, related to the Covered Conduct, the Mansukhani Civil Action, and Relator Mansukhani's investigation and prosecution thereof.

33. In consideration of the obligations and promises as set forth in this Agreement, the Prime Defendants fully and finally release Relators Arnold and Hill from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that the Prime Defendants have asserted, could have asserted, or may assert in the future against Relators Arnold and Hill, related to the Covered Conduct, the Arnold Civil Action, and Relators Arnold and Hill's investigation and prosecution thereof.

34. The Settlement Amount shall not be decreased as a result of the denial of claims for payment now being withheld from payment by any Medicare contractor (e.g., Medicare Administrative Contractor, fiscal intermediary, carrier) or by Medi-Cal or any other California program payor, related to the Covered Conduct; and the Prime Defendants and the Siva Defendants agree not to resubmit to any Medicare contractor, or Medi-Cal or any other California program payor any previously denied claims related to the Covered Conduct, agree not to appeal any such denials of claims, and agree to withdraw any such pending appeals.

35. The Prime Defendants and the Siva Defendants agree to the following:

a. Unallowable Costs Defined: All costs (as defined in the Federal Acquisition Regulation, 48 C.F.R. § 31.205-47; and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395lll and 1396-1396w-5; and the regulations and official program directives promulgated thereunder) incurred by or on behalf of the Prime Defendants or the Siva Defendants, and their present or former officers, directors, employees, shareholders, and agents in connection with:

(1) the matters covered by this Agreement

- (2) the United States' audit(s) and civil investigation(s) of the matters covered by this Agreement;
- (3) the Prime Defendants' and the Siva Defendants' investigations, defenses, and corrective actions undertaken in response to the United States' audit(s) and civil investigation(s) in connection with the matters covered by this Agreement (including attorneys' fees);
- (4) the negotiation and performance of this Agreement;
- (5) the payments that the Prime Defendants, Dr. Siva, and the Siva PC make to the United States pursuant to this Agreement and any payments that the Prime Defendants, Dr. Siva, and the Siva PC may make to Relator Mansukhani and Relators Arnold and Hill, including costs and attorneys' fees; and
- (6) the negotiation of, and obligations undertaken pursuant to the CIA to: (i) retain an independent review organization to perform annual reviews as described in Section III of the CIA; and (ii) prepare and submit reports to the OIG-HHS are unallowable costs for government contracting purposes and under the Medicare Program, Medicaid Program, and the TRICARE Program, (hereinafter referred to as Unallowable Costs). However, nothing in Paragraph 35.a.(6) that may apply to the obligations undertaken pursuant to the CIA affects the status of costs that are not allowable based on any other authority applicable to the Prime Defendants.

b. Future Treatment of Unallowable Costs: Unallowable Costs shall be separately determined and accounted for in nonreimbursable cost centers by the Prime Entity Defendants, and the Prime Entity Defendants shall not charge such Unallowable Costs directly or indirectly

to any contracts with the United States or any State Medicaid program, or seek payment for such Unallowable Costs through any cost report, cost statement, information statement, or payment request submitted by the Prime Entity Defendants or any of their subsidiaries or affiliates to the Medicare, Medicaid, TRICARE, or FEHBP Programs.

c. Treatment of Unallowable Costs Previously Submitted for Payment: The Prime Entity Defendants further agree that within 90 days of the Effective Date of this Agreement they shall identify to applicable Medicare and TRICARE fiscal intermediaries, carriers, and/or contractors, and Medicaid and FEHBP fiscal agents, any Unallowable Costs (as defined in this paragraph) included in payments previously sought from the United States, or any State Medicaid program, including, but not limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by the Prime Entity Defendants, or any of their subsidiaries or affiliates, and shall request, and agree, that such cost reports, cost statements, information reports, or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the Unallowable Costs. The Prime Entity Defendants agree that the United States, at a minimum, shall be entitled to recoup from the Prime Entity Defendants any overpayment plus applicable interest and penalties as a result of the inclusion of such Unallowable Costs on previously-submitted cost reports, information reports, cost statements, or requests for payment. Any payments due after the adjustments have been made shall be paid to the United States pursuant to the direction of the Department of Justice and/or the affected agencies. The United States reserves its rights to disagree with any calculations submitted by the Prime Entity Defendants or any of their subsidiaries or affiliates on the effect of inclusion of Unallowable Costs (as defined in this paragraph) on the Prime Entity

Defendants' or any of their subsidiaries or affiliates' cost reports, cost statements, or information reports.

d. Nothing in this Agreement shall constitute a waiver of the rights of the United States to audit, examine, or re-examine the books and records of the Prime Entity Defendants to determine that no Unallowable Costs have been claimed in accordance with the provisions of this paragraph.

36. The Prime Defendants and the Siva Defendants agree to cooperate fully and truthfully with the United States' and California's investigations of individuals and entities not released in this Agreement. Upon reasonable notice, the Prime Defendants and the Siva Defendants shall encourage, and agree not to impair, the cooperation of their directors, officers, and employees, and shall use their best efforts to make available, and encourage, the cooperation of former directors, officers, and employees for interviews and testimony, consistent with the rights and privileges of such individuals. The Prime Defendants and the Siva Defendants further agree to furnish to the United States and California, upon request, complete and unredacted copies of all non-privileged documents, reports, memoranda of interviews, and records in their possession, custody, or control concerning any investigation of the Covered Conduct that any of them has undertaken, or that has been performed by another on its or his behalf.

37. This Agreement is intended to be for the benefit of the Parties only. The Parties do not release any claims against any other person or entity, except to the extent provided for in Paragraph 38 (waiver for beneficiaries paragraph), below.

38. The Prime Defendants and the Siva Defendants agree that they waive and shall not seek payment for any of the health care billings covered by this Agreement from any health

care beneficiaries or their parents, sponsors, legally responsible individuals, or third-party payors based upon the claims defined as Covered Conduct.

39. Upon receipt of the payments described in Paragraphs 1.c and 1.d, above, Relator Mansukhani, the Prime Defendants, A&A, and HDHI shall promptly sign and file in the *Mansukhani* Civil Action a Joint Stipulation of Dismissal against the Prime Defendants, A&A, and HDHI pursuant to Rule 41(a)(1). At the same time, pursuant to 31 U.S.C. § 3730(b)(1), the United States will file its consent to the dismissal of the *Mansukhani* Civil Action against the Prime Defendants, A&A, and HDHI with prejudice to the Relator, and with prejudice to the United States only as to the Covered Conduct released in this Agreement, and otherwise without prejudice to the United States. Also at the same time, California will file its consent to the dismissal of the *Mansukhani* Civil Action against the Prime Defendants, A&A, and HDHI with prejudice to the Relator, and with prejudice to California only as to the Covered Conduct released in this Agreement, and otherwise without prejudice to California.

40. Upon receipt of the payments described in Paragraph 1.e above, the United States, California, and Relator Mansukhani shall promptly sign and file in the *Mansukhani* Civil Action a Satisfaction of Judgment as to the United States, a Satisfaction of Judgment as to California, and a Satisfaction of Judgment as to Relator Mansukhani. In addition, Relator Mansukhani, Dr. Siva and the Siva PC shall promptly sign and file in the *Mansukhani* Civil Action a Stipulation of Dismissal against Dr. Siva and the Siva PC. At the same time, pursuant to 31 U.S.C. § 3730(b)(1), the United States will file its consent to the dismissal of the *Mansukhani* Civil Action against Dr. Siva and the Siva PC with prejudice to the Relator and with prejudice to the United States only as to the Covered Conduct released in this Agreement, and otherwise without prejudice to the United States. Also at the same time, California will file its consent to the

dismissal of the *Mansukhani* Civil Action against Dr. Siva and the Siva PC with prejudice to the Relator and with prejudice to California only as to the Covered Conduct released in this Agreement, and otherwise without prejudice to California.

41. Upon receipt of the payments described in Paragraphs 1.c and 1.d, above, Relators Arnold and Hill shall promptly sign and file in the Arnold Civil Action a Notice of Dismissal pursuant to Rule 41(a)(1).

42. Each Party shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement, except that nothing in this paragraph shall release, waive or affect any claim of Relator Mansukhani against the Prime Defendants and the Siva Defendants for attorneys' fees and costs under 31 U.S.C. § 3730(d) and Cal. Gov't Code § 12652(g)(8). Such claim for fees and costs has been resolved by a separate agreement between Relator Mansukhani, the Prime Defendants and the Siva Defendants, which releases all claims by Relator Mansukhani and his counsel under 31 U.S.C. § 3730(d) and Cal. Gov't Code § 12652(g)(8). Further, nothing in this paragraph shall release, waive or affect any claim of Relators Arnold and Hill against the Prime Defendants for attorneys' fees and costs under 31 U.S.C. § 3730(d) and Cal. Gov't Code § 12652(g)(8). Such claim for fees and costs has been resolved by a separate agreement between Relators Arnold and Hill and the Prime Defendants, which releases all claims by Relators Arnold and Hill and their counsel under 31 U.S.C. § 3730(d) and Cal. Gov't Code § 12652(g)(8).

43. Each party and signatory to this Agreement represents that it freely and voluntarily enters into this Agreement without any degree of duress or compulsion.

44. This Agreement is governed by the laws of the United States. The exclusive jurisdiction and venue for any dispute relating to this Agreement is the United States District

Court for the Central District of California. For purposes of construing this Agreement, this Agreement shall be deemed to have been drafted by all Parties to this Agreement and shall not, therefore, be construed against any Party for that reason in any subsequent dispute.

45. This Agreement constitutes the complete agreement between the Parties. This Agreement may not be amended except by written consent of the Parties.

46. The undersigned counsel represent and warrant that they are fully authorized to execute this Agreement on behalf of the persons and entities indicated below.

47. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same Agreement.

48. This Agreement is binding on the successors, transferees, heirs, and assigns of the Prime Defendants and the Siva Defendants.

49. This Agreement is binding on Relator Mansukhani's successors, transferees, heirs, and assigns.

50. This Agreement is binding on Relators Arnold and Hill's successors, transferees, heirs and assigns.

51. All parties consent to the United States' and California's disclosure of this Agreement, and information about this Agreement, to the public.

52. This Agreement is effective on the date of signature of the last signatory to the Agreement (Effective Date of this Agreement). Facsimiles and electronic transmissions of signatures shall constitute acceptable, binding signatures for purposes of this Agreement.
