MEMORANDUM OF AGREEMENT

The Metropolitan School District of Decatur Township (the “District”) and the United States Department of Justice, Civil Rights Division, Educational Opportunities Section (the “United States”) (collectively, the “Parties”) voluntarily enter into this Memorandum of Agreement (“Agreement”) to improve the District’s ability to prevent and appropriately respond to peer-on-peer harassment based on race, color, national origin, religion, sex, and other characteristics protected by federal civil rights laws, including Title IV of the Civil Rights Act of 1964, 42 U.S.C. § 2000c et seq. (“Title IV”), which prohibits discrimination against students by public schools. This Agreement is intended to ensure that the District’s policies, procedures, and practices related to harassment are comprehensive, conform to federal law, and are consistent with the District’s broader policies and practices related to bullying, hazing, and discipline. Specifically, the Parties intend that the District’s implementation of this Agreement will strengthen the District’s ability to address bullying that also constitutes harassment, and to provide consistent procedures for reporting, investigating, and responding to such conduct. In furtherance of these goals, the District will revise its policies and procedures related to discrimination, harassment, bullying, hazing, and student discipline. The District will also pilot training, professional development, and school climate assessments for both students and staff at Decatur Central High School (“DCHS”) and the Decatur Elementary Learning Center Gold Academy (“Gold Academy”).

Terms of the Agreement

I. THIRD-PARTY SERVICE PROVIDERS

A. Great Lakes Equity Center

Pursuant to the District’s separately executed Memorandum of Understanding (“MOU”) with the Great Lakes Equity Center, the Region V Equity Assistance Center at Indiana University-Purdue University Indianapolis (the “Equity Center”), attached as Exhibit A, the District will use the services of the Equity Center to implement various provisions of this Agreement. If the MOU terminates during the term of this Agreement for any reason, the District may retain another third-party consultant pursuant to ¶ I.B.

1 For purposes of this Agreement, the term “harassment” is defined as unwelcome conduct directed to a person or group of persons based on the actual or perceived race, color, national origin, sex (including gender), religion, or disability of a person, the person’s family, or individuals with whom the person associates. See U.S. Dep’t of Educ., Office for Civil Rights, Dear Colleague Letter on Bullying and Harassment, Oct. 26, 2010, http://www2.ed.gov/about/offices/list/ocr/letters/colleague-201010.pdf. Harassment can include verbal acts and name-calling; graphic and written statements, which may include use of cell phones or the Internet; and other conduct that may be physically threatening, harmful, or humiliating. Id. Harassment need not include intent to harm, be directed at a specific target, or involve repeated incidents. Id. Harassment may include conduct that is also considered “bullying” under state and local policy.
B. Other Consultants or Service Providers

During the term of this Agreement, the District may retain one or more additional or alternative third-party consultants or service providers, mutually agreed upon by the Parties, to assist in the implementation of this Agreement. The District will promptly notify the United States of its intent to retain additional or alternative consultants.

II. DISTRICT-WIDE OBLIGATIONS

A. Revisions to Policies, Regulations, Procedures, and Materials

Upon execution of this Agreement, the District will commence a review of all District-wide and school-level policies, regulations, procedures (“policies”), related to discrimination, harassment, bullying, hazing, and student discipline, as well as all related materials (e.g., student and employee handbooks, codes of conduct, complaint forms) (“materials”), to ensure they are consistent with each other and accurately reflect the District’s obligations under Federal law to prevent, investigate, and address harassment of students based on race, color, national origin, religion, sex, and disability, and to eliminate any hostile environment arising from or related to such harassment. The policies will be consistent with the District’s obligations to comply with federal civil rights laws, as described in the U.S. Department of Education’s October 26, 2010 Dear Colleague Letter on Bullying and Harassment (attached as Exhibit B). The documents to be reviewed and potentially revised, include, but are not necessarily limited to, those listed in Appendix A.

The information to be tracked regarding these incidents is set forth in Appendix C.

3. The District will conduct an annual District-level review of school-level investigations and resolutions of student conduct that may constitute harassment to ensure compliance with the District’s revised policies, regulations, and procedures related to nondiscrimination and harassment, as well as the District’s tracking and monitoring procedures. The District will provide a summary of its annual review findings to the United States in its August 15 annual report. See Appendix G.

The survey will be administered in Spanish to Limited English Proficient (LEP) students who are native Spanish speakers, translated into other languages to the extent possible for other LEP students, and may be completed anonymously. The first surveys will be administered during the 2013-2014 school year on or after October 1. The surveys will be administered annually each school year thereafter throughout the term of this Agreement. The assessment will be conducted by the District Nondiscrimination Coordinator and School Nondiscrimination Coordinators. A final written report summarizing the assessment and recommendations will be included in the District’s annual August 15 report to the United States. See Appendix G. The summary report will be posted on the District’s website and
made available to Limited English Proficient parents/guardians in Spanish. The assessment will include the items in Appendix F.

In monitoring the District’s efforts to fulfill its obligations under this Agreement, the United States may conduct site visits, observe trainings, interview District staff and students (with parent permission), confer with the Equity Center, and request any additional information or data necessary to assist the District in ensuring it is in compliance with Federal law.

V. TERM AND TERMINATION

A. Within thirty (30) days of its receipt of the District’s February 15, 2016 report, the United States will notify the District, in writing, either that the District has complied with the Agreement or that the District has specific outstanding obligations necessary to comply fully with the terms of this Agreement.

B. This Agreement will remain in effect until thirty (30) days after the United States receives the District’s February 15, 2016 compliance report or until the United States notifies the District in writing that it has complied fully with the terms of this Agreement, whichever is later.

C. As of the date of entry of this Agreement, litigation is not “reasonably foreseeable” concerning the matters described herein. To the extent that any party previously implemented a litigation hold to preserve documents, electronically stored information, or things related to the matters described herein, the party is no longer required to maintain such a litigation hold. Nothing in this paragraph relieves any party of any other obligations imposed by this Agreement.
