I received the below email from [text omitted] with the Johnson County Sheriff's Office indicating that their grant will remain in the COPS Office. You and I had previously discussed transferring their grant to the Office of Justice Programs in order to assure that their allocated funding goes toward tactical bulletproof vests for their Special Emergency Response Team. I understand that OJP is not taking on transferred grants this year, but it was Congressman Loeb sack's intent that the funding he secured for the Sheriff be used for these vests, which are critical to the safety of the Sheriff's deputies but which are out of range for their budget. Since our original plan to transfer the grant to OJP did not work out, the Congressman would greatly appreciate efforts on behalf of the COPS Office to provide funding for the equipment he intended for the funding to go toward.

Please don't hesitate to contact me if I can provide any additional information. As always, thank you for all of your assistance.

Best,
