- 1/ The Department's FY 2013 appropriations act merged the Office of the Federal Detention Trustee (OFDT) with the U.S. Marshals Service. The costs associated with the care of federal detainees are now funded through the U.S. Marshals Service-Federal Prisoner Detention (FPD) appropriation. The FY 2017 budget continues the authority to transfer remaining prior year unobligated balances from OFDT to the FPD appropriation.
- 2/ The amount is subject to negotiation between the Attorney General and Secretary for Health and Human Services.
- 3/ Number includes total appropriation, including \$4 million transfer from DHS Immigration Examinations Fee.
- 4/ The National Security Division was established by Section 506(b)(1), P.L. 109-177, and received appropriations in FY 2007 - 2016. However, there have not been any authorizations of appropriations for the National Security Division.
- 5/ The Consolidated Youth Oriented Program includes the following programs: Engaging Men and Youth in Prevention, Grants to Assist Children and Youth Exposed to Violence, Supporting Teens Through Education Program, and Services to Advocate and Respond to Youth.
- 6/ PL 111-347 provided \$875 million over the first 5 years (FY 2012-FY 2016), with the remaining \$1.9 billion provided in FY 2017. However, P.L. 114-113 allowed for the \$1.9 billion plus the remainder of the \$875 million to be available in FY 2016. From FY 2012 - FY 2015, the Fund obligated \$209,700,011. Therefore, \$2,565,299,989 is available to the 9/11 Victim Compensation Fund in FY 2016.
- 7/ The Violence Against Women Reauthorization, 2013 codified the consolidation of the Safe Havens and Court Improvements Programs. These programs were first consolidated in the FY 2013 appropriation. The cited provision in USC for the Safe Havens program is now the authorization of appropriations for the Justice for Families program. The cited provision in USC for the Court Training and Improvements program has been repealed.
- 8/ The cited provision in USC for the Engaging Men and Youth program has been repealed.
- 9/ Services to Advocate and Respond to Youth: the cited provision in USC is now the authorization of appropriations for the CHOOSE Youth Program.
- 10/ Children and Youth Exposed to Violence: the cited provision in USC is now the authorization of appropriations for the SMART Prevention Program.
- 11/ The cited provision in USC for the Supporting Teens Through Education and Prevention program has been repealed.
- 12/ In FY 2017, the President's Budget requests an independent line item appropriation for this program; in previous years, the Research on Domestic Radicalization program was supported by a carve-out under the Byrne Justice Assistance Grant (JAG) Program, which is appropriated under the State and Local Law Enforcement Assistance appropriations account.
- 13/ This chart generally references the authorization of appropriations, not the Acts authorizing operation of specific programs.
- 14/ In accordance with the Budget Control Act of 2011 and the Office of Management and Budget's FY 2015 Sequestration Preview Report, the following mandatory accounts must take a 7.3 percent reduction for sequestration in FY 2015: September 11th Victims Compensation Fund (\$8.8million), Fees and Expenses of Witnesses (\$19.7 million), Diversion Control Fee Account (\$26.9 million), Assets Forfeiture Fund (\$119.7 million of permanent, indefinite authority), and the Crime Victims Fund (\$893 million). In addition, the administrative fees for the following accounts must take a 7.3 percent reduction for sequestration in FY 2015: Public Safety Officer's Death Benefits (\$292,000) and the Commissary Fund (\$5.25 million).
- 15/ In accordance with the Budget Control Act of 2011 and the Office of Management and Budget's FY 2016 Sequestration Preview Report, the following mandatory accounts must take a 6.8 percent reduction for sequestration in FY 2016: September 11th Victims Compensation Fund (TBD), Fees and Expenses of Witnesses (\$18.4 million), Diversion Control Fee Account (\$25.0 million), Assets Forfeiture Fund (\$148.4 million of permanent, indefinite authority), and the Crime Victims Fund (\$997 million). In addition, the administrative fees for the following accounts must take a 6.8 percent reduction for sequestration in FY 2016: Public Safety Officer's Death Benefits (\$677,000) and the Commissary Fund is no longer being sequestered.
- 16/ Title II of the James Zadroga 9/11 Health and Compensation Act of 2010 (P.L. 111-347) reopened the September 11th Victim Compensation Fund (VCF), extending eligibility for compensation associated with physical harm stemming from debris removal and extending the deadline for claims associated with harms not discovered before the Fund's original deadline. The VCF was established by the Air Transportation Safety and System Stabilization Act (P.L. 107-42) as an alternative to litigation, and had terminated operations in 2004 after making compensation payments of more than \$7 billion to survivors of 2,880 persons killed in the September 11, 2001 terrorist attacks and to 2,680 individuals who were injured in the attacks and subsequent rescue efforts. The James Zadroga 9/11 Health and Compensation Act of 2010 reopened the VCF and made \$2.775 billion available for the settlement of claim determinations issued on or before December 17, 2015. Once all claims in this group are resolved, any remaining funds will become available in the new Victims Compensation Fund. The Victims Compensation Fund will be available for the settlement of claim determinations issued after December 17, 2015. Public Law 114-113 provided for \$4.6 billion in the new Victims Compensation Fund starting in FY 2017.
