Authorization of Appropriations
(\$ in thousands)

The table below provides relevant information regarding the most recent authorization for all Department of Justice appropriations (as well as detail for specific programs and accounts where relevant). This chart generally references the authorizations of appropriations, not the Acts authorizing operation of specific programs. Bracketed amounts are included in the summary totals on the reference line above (typically a component's overall total). Negative amounts (typically rescissions) are shown with a minus sign.

Notes:

- 1/ Amount shown is the total appropriation, including a \$4.0 million transfer from the DHS Immigration Examinations Fee account in FY 2025 and \$10.0 million in FY 2026 and FY 2027.
- 2/ Component was dissolved as a separate component within the Department consistent with the Agency Reduction-in-Force (RIF) and Reorganization Plan (ARRP); therefore, the FY 2027 President's Budget does not include an appropriations request for the component.
- 3/ From FY 2002 through FY 2012, pre-trial detention was funded through the Office of the Federal Detention Trustee (OFDT). On October 1, 2012, OFDT merged with the USMS and the appropriation was renamed as Federal Prisoner Detention.
- 4/ The National Security Division was established by Section 506(b)(1), P.L. 109-177, and has received appropriations since FY 2007. However, Congress has not yet passed an express authorization of appropriations for the National Security Division.
- 5/ The BOP Salaries and Expenses appropriation directs the transfer of "not less than 2 percent" of the First Step Act carveout (\$409,483,000) to the OJP Research, Evaluation, and Statistics appropriation for NIJ to carry out related programs and activities. Actual amounts transferred are shown for prior years. Transfers are not reflected in the respective component totals shown above.
- 6/ HCFAC amounts are subject to negotiation between the Attorney General and the Secretary, Department of Health and Human Services.
- 7/ P.L. 116-34, the Never Forget the Heroes: James Zadroga, Ray Pfeifer, and Luis Alvarez Permanent Authorization of the September 11th Victim Compensation Fund Act, ("Permanent Authorization Act") was signed into law on July 29, 2019. The Permanent Authorization Act extends the filing deadline for VCF claims to October 1, 2090 and appropriates such funds as may be necessary through FY 2092 to pay all eligible claims.
- 8/ Amounts shown include \$3.0 billion to establish a lump sum catch-up reserve fund for payments to Beirut and Khobar Towers claimants, as provided in the FY 2023 Consolidated Appropriations Act (HR 2617-1651).
