Subject: Keep the music consent decrees in place!!

I strongly recommend that the consent decrees remain as they are.

Any changes will undoubtedly result in increased fees being levied against thousands of performance venues located in both large and small towns throughout America. Performing arts venues like mine have a mission to support non-profit arts organizations. Extra increased fees will take money away from them.

Many of our venues are already facing financial losses in the billions and the recovery of the venues that are not forced to permanently close due to the pandemic will be years not months. We are not underwritten by government or local municipalities but rely solely on revenue earned through the sale of tickets. Now is not the time to make any changes to the existing consent decrees. We are fighting to just stay alive so our local non-profits have a home to come back to.

Please help save our venues!

Sincerely,
Robyn Williams
