Department of Justice contractors, federal employees, and volunteers have a fiduciary responsibility to satisfy their financial obligations. I understand and acknowledge that by signing this document, I will comply with all my financial obligations to include any terms of repayment agreements. I will file and pay all local, state, and federal taxes and agree to repay all federal loans timely. I understand and acknowledge my failure to comply with any requests for financial documentation will render me unsuitable for employment

I am aware any financial delinquency is a serious concern for the Department of Justice and I will voluntarily report such delinquencies to the District Security Office Manager during my tenure with the Department of Justice.
