CRIMINALLY INVESTIGATE DRUG AND ALCOHOL
TREATMENT PROGRAMS, LABORATORIES,
MEDICAL DIRECTORS, AND THEIR
RESPECTIVE EMPLOYEES AND AGENTS

SEALED ORDER

THIS MATTER has come before the Court upon the Application to Amend under Seal filed by United States of America, for an amendment to the Order dated December 12, 2017, in Cause No. 17-8526-DLB (the "2017 Order"), pursuant to 42 U.S.C. § 290dd-2 and 42 C.F.R. §§ 2.64 and 2.66 authorizing the collection, disclosure, and use of patient treatment records, including any confidential communications contained therein, to criminally investigate employees and agents of federally regulated and/or supported substance abuse treatment programs, specifically the laboratories and treatment centers which are identified in the attached Exhibit 1.

The Court finds that the Applicant has shown good cause for issuance of an amended Order that adds additional targets to Exhibit 1, for the reasons set forth in the original Application and Affidavit submitted on December 12, 2017, and in the instant Application to Amend.

[INTENTIONALLY LEFT BLANK]

The Court further incorporates by reference the entirety of the 2017 Order as if fully set forth herein.

DONE AND ORDERED in Chambers at West Palm Beach, Florida, this 16th day of July, 2019.
