

permits maintain records of all explosives transactions as outlined in 27 CFR 555.103, for compliance with the Safe Explosives Act.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 46,500 respondents will prepare explosives transaction records for this collection once annually, and it will take each respondent approximately 30 minutes to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 23,250 hours, which is equal to 46,500 (total respondents) * 1 (# of response per respondent) * .5 (30 minutes or the time taken to prepare each response).

7. *An Explanation of the Change in Estimates:* Due to fewer respondents, the total responses and burden hours were reduced from 50,000 and 25,000 hours respectively in 2018, to 46,500 and 23,250 hours currently.

BILLING CODE 4410-FY-P

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the Defense Production Act of 1950

AGENCY: Antitrust Division, Department of Justice.

ACTION: Notice of review of plan of action.

SUMMARY: Notice is hereby given pursuant to section 708 of the Defense Production Act of 1950 ("DPA"), that the Acting Assistant Attorney General finds, with respect to the Plan of Action to Establish a National Strategy for the Coordination of National Multimodal Healthcare Supply Chains to Respond to COVID-19 ("Plan of Action") proposed by the Federal Emergency Management Agency ("FEMA"), that the purposes of section 708(c)(1) of the DPA may not reasonably be achieved through a plan of action having less anticompetitive

effects or without any plan of action. Given this finding, the proposed Plan of Action may become effective following the publication of this notice.

SUPPLEMENTARY INFORMATION: Under the DPA, FEMA may enter into plans with representatives of private industry for the purpose of improving the efficiency with which private firms contribute to the national defense when conditions exist that may pose a direct threat to the national defense or its preparedness. Such arrangements are generally known as "voluntary agreements." Participants in an existing voluntary agreement may adopt documented methods, known as "plans of action," to implement that voluntary agreement. A defense to actions brought under the antitrust laws is available to each participant acting within the scope of a voluntary agreement and plan of action that has come into force under the DPA.

The DPA requires that each proposed plan of action be reviewed by the Attorney General prior to becoming effective. If, after consulting with the Chair of the Federal Trade Commission, the Attorney General finds that the purposes of the DPA's plans of action provision "may not reasonably be achieved through a . . . plan of action having less anticompetitive effects or without any . . . plan of action," the plan of action may become effective. 50 U.S.C. 4558(f)(1)(B). All functions which the Attorney General is required or authorized to perform by section 708 of the DPA have been delegated to the Assistant Attorney General, Antitrust Division. 28 CFR 0.40(l).

On August 17, 2020, the Voluntary Agreement for the Manufacture and Distribution of Critical Healthcare Resources Necessary to Respond to a Pandemic ("Voluntary Agreement") became effective. The proposed Plan of Action contains documented methods to implement the Voluntary Agreement by creating a mechanism to immediately address exigent needs within the National Multimodal Healthcare Supply Chains System and to ensure actions to address such needs do not come with unacceptable risks or interfere with other efforts to meet critical End-User requirements. This mechanism involves the establishment of several Sub-Committees by transportation type, which are designed to foster a close working relationship among FEMA, the Department of Health and Human Services ("HHS"), and participants of the Sub-Committees to address national defense needs through cooperative action under the direction and active supervision of FEMA. The proposed Plan of Action includes terms,

conditions, and procedures under which participants agree voluntarily to participate in the Sub-Committees. FEMA has certified that the proposed Plan of Action is necessary to provide for the national defense in the event of a pandemic.

FEMA requested that the Acting Assistant Attorney General, Antitrust Division, issue a finding that the proposed Plan of Action satisfies the statutory criteria set forth in 50 U.S.C. 4558(f)(1)(B). The Acting Assistant Attorney General, Antitrust Division, reviewed the proposed Plan of Action and consulted on it with the Chair of the Federal Trade Commission. On October 12, 2021, by letter to Deanne Criswell, FEMA Administrator, Richard Powers, Acting Assistant Attorney General, Antitrust Division, issued a finding, pursuant to 50 U.S.C. 4558(f)(1)(B), that the purposes of the DPA's plans of action provision "may not reasonably be achieved through a . . . plan of action having less anticompetitive effects or without any . . . plan of action."

David G.B. Lawrence,

Chief, Competition Policy & Advocacy Section.
