Overview of This Information Collection

1. Type of Information Collection: Renewal, with change, of a currently approved collection.

2. The Title of the Form/Collection: Unfair Immigration-Related Employment Practices Complaint Form.

3. The agency form number, if any, and the applicable component of the Department sponsoring the collection: The form number is EOIR-58, Office of the Chief Administrative Hearing Officer (OCAHO), Executive Office for Immigration Review, United States Department of Justice.

4. Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals who wish to file a complaint alleging unfair immigration-related employment practices under section 274B of the Immigration and Nationality Act (INA). Other: None. Abstract: Section 274B of the INA prohibits: Employment discrimination on the basis of citizenship status or national origin; retaliation or intimidation by an employer against an individual seeking to exercise his or her right under this section; and “document abuse” or over-documentation by the employer, which occurs when the employer asks an applicant or employee for more or different documents than required for employment eligibility verification under INA section 274A, with the intent of discriminating against the employee in violation of section 274B. Individuals who believe that they have suffered discrimination in violation of section 274B may file a charge with the Department of Justice, Immigrant and Employee Rights Section (IER). The IER then has 120 days to determine whether to file a complaint with OCAHO on behalf of the individual charging party.

If the IER chooses not to file a complaint, the individual may then file his or her own complaint directly with OCAHO. This information collection

may be used by an individual to file his or her own complaint with OCAHO. The Form EOIR-58 will elicit, in a uniform manner, all of the required information for OCAHO to assign a section 274B complaint to an Administrative Law Judge for adjudication.

5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 26 respondents will complete the form annually with an average of 30 minutes per response.

6. An estimate of the total public burden (in hours) associated with the collection: The estimated public burden associated with this collection is 13 hours. It is estimated that respondents will take 30 minutes to complete the form.
