INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-548 and 731-TA-1298 (Review)]

Welded Stainless Steel Pressure Pipe From India; Scheduling of Expedited Five-Year Reviews

AGENCY: International Trade
Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping and countervailing duty orders on welded stainless steel pressure pipe from India would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: January 4, 2022.

FOR FURTHER INFORMATION CONTACT:
Alejandro Orozco (202-205-3177),
Office of Investigations, U.S.
International Trade Commission, 500 E
Street SW, Washington, DC 20436.
Hearing-impaired persons can obtain
information on this matter by contacting
the Commission's TDD terminal on 202-
205-1810. Persons with mobility
impairments who will need special
assistance in gaining access to the
Commission should contact the Office
of the Secretary at 202-205-2000.
General information concerning the
Commission may also be obtained by
accessing its internet server (<https://www.usitc.gov>). The public record for
these reviews may be viewed on the
Commission's electronic docket (EDIS)
at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On January 4, 2022, the
Commission determined that the
domestic interested party group
response to its notice of institution (86

FR 54470, October 1, 2021) of the
subject five-year reviews was adequate
and that the respondent interested party
group response was inadequate. The
Commission did not find any other
circumstances that would warrant
conducting full reviews.¹ Accordingly,
the Commission determined that it
would conduct expedited reviews
pursuant to section 751(c)(3) of the
Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning
the conduct of these reviews and rules
of general application, consult the
Commission's Rules of Practice and
Procedure, part 201, subparts A and B
(19 CFR part 201), and part 207,
subparts A, D, E, and F (19 CFR part
207).

Please note the Secretary's Office will
accept only electronic filings at this
time. Filings must be made through the
Commission's Electronic Document
Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-
based filings or paper copies of any
electronic filings will be accepted until
further notice.

Staff report.—A staff report
containing information concerning the
subject matter of the reviews has been
placed in the nonpublic record, and will
be made available to persons on the
Administrative Protective Order service
list for these reviews on March 24, 2022.
A public version will be issued
thereafter, pursuant to section
207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in
section 207.62(d) of the Commission's
rules, interested parties that are parties
to the reviews and that have provided
individually adequate responses to the
notice of institution,² and any party
other than an interested party to the
reviews may file written comments with
the Secretary on what determinations
the Commission should reach in the
reviews. Comments are due on or before
March 31, 2022 and may not contain
new factual information. Any person
that is neither a party to the five-year
reviews nor an interested party may
submit a brief written statement (which
shall not contain any new factual
information) pertinent to the reviews by
March 31, 2022. However, should the
Department of Commerce ("Commerce")
extend the time limit for its completion

¹ A record of the Commissioners' votes is
available from the Office of the Secretary and at the
Commission's website.

² The Commission has found the joint response to
its Notice of Institution filed on behalf of Bristol
Metals, LLC, Felker Brothers Corporation, and
Primus Pipe & Tube, Inc., domestic producers of
welded stainless steel pressure pipe, to be
individually adequate. Comments from other
interested parties will not be accepted (see 19 CFR
207.62(d)(2)).

of the final results of its reviews, the
deadline for comments (which may not
contain new factual information) on
Commerce's final results is three
business days after the issuance of
Commerce's results. If comments
contain business proprietary
information (BPI), they must conform
with the requirements of sections 201.6,
207.3, and 207.7 of the Commission's
rules. The Commission's *Handbook on
Filing Procedures*, available on the
Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates
upon the Commission's procedures with
respect to filings.

In accordance with sections 201.16(c)
and 207.3 of the rules, each document
filed by a party to the reviews must be
served on all other parties to the reviews
(as identified by either the public or BPI
service list), and a certificate of service
must be timely filed. The Secretary will
not accept a document for filing without
a certificate of service.

Determination.—The Commission has
determined these reviews are
extraordinarily complicated and
therefore has determined to exercise its
authority to extend the review period by
up to 90 days pursuant to 19 U.S.C.
1675(c)(5)(B).

Authority: These reviews are being
conducted under authority of title VII of
the Tariff Act of 1930; this notice is
published pursuant to section 207.62 of
the Commission's rules.

By order of the Commission.

Issued: March 22, 2022.

Lisa Barton,

Secretary to the Commission.

AGENCY: Executive Office for
Immigration Review, Justice.

ACTION: Notice of meeting.

SUMMARY: The Executive Office for
Immigration Review ("EOIR") invites
interested parties to attend the first of a
series of public forums about its Access
EOIR initiative. During the session,

compliments, and concerns from
stakeholders regarding two of EOIR's
web-based initiatives: EOIR Courts &

Appeals System (“ECAS”), and Immigration Court Online Resource (“ICOR”).

DATES: The public forum will be held on Wednesday, March 30, 2022, from 2:00–3:00 p.m. EDT (ECAS session) and from 3:00–4:00 p.m. EDT (ICOR session).

ADDRESSES: The public forum will be held online via GoToWebinar. Please RSVP to EngagewithEOIR@usdoj.gov by 5:00 p.m. EDT on March 28, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address.

FOR FURTHER INFORMATION CONTACT:

Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for Immigration Review, 5107 Leesburg Pike, Falls Church, VA 22041, telephone (703) 305–0289.

I. Background

EOIR is hosting the first of a series of public engagement sessions regarding the Access EOIR Initiative. See Executive Office for Immigration Review, *EOIR Announces “Access EOIR” Initiative: Agency Launches New Counsel and Training Programs* (Sept. 28, 2021), available at <https://www.justice.gov/oir/pr/oir-announces-access-eoir-initiative>. Access EOIR is intended to improve access to pertinent information and resources for respondents and practitioners appearing before the immigration courts and general information of interest to the public. Two efforts of the initiative will be the focus of the online public forum on March 30, 2022.

The first effort that will be addressed is ECAS, which is part of an overarching information technology modernization effort at EOIR. ECAS was first introduced in July 2018 to phase out paper filing and processing and to retain all records and case-related documents in electronic format. ECAS supports the full life cycle of immigration cases including: Electronic filing of court and appeals documents, processing and receiving filings, maintaining electronic Records of Proceedings (eROPs), preparing case information, conducting a hearing, and adjudicating appeals. ECAS is now fully implemented at all immigration courts and adjudication centers and at the Board of Immigration Appeals, and as of February 11, 2022, DHS and all attorneys and fully accredited representatives are required to electronically file documents in all cases eligible for electronic filing. 8 CFR 1003.2(g)(4), 1003.31(a); *see also* Executive Office for Immigration Review Electronic Case Access and Filing, 86 FR 70708 (Dec. 13, 2021)

(final rule implementing mandatory electronic filing in eligible cases).

The second system that will be addressed is ICOR, which is a web-based and mobile friendly tool that provides respondents, practitioners, and other interested parties with a centralized location for resources pertaining to immigration proceedings before EOIR. ICOR provides information to help respondents learn about and prepare for immigration proceedings, including a tool to access general information about the forms of relief and protection from removal. ICOR also provides information for practitioners, including information on practice before EOIR’s adjudicators. Currently, ICOR is available in English, Spanish, Chinese, Haitian Creole, Portuguese, and Punjabi.

II. Agenda

From 2:00–3:00 p.m. EDT on March 30, 2022, members of the public are invited to provide feedback on ECAS and its recent implementation nationwide. Feedback that would be most useful to the agency would include comments—either positive or negative—related to the ECAS user experience, along with any suggestions for improvements to ECAS now that its functionalities have been fully implemented.

From 3:00–4:00 p.m. EDT on March 30, 2022, members of the public are invited to provide feedback on ICOR. The agency similarly welcomes all feedback from the public, whether positive or negative, regarding the utility and functionality of ICOR, along with any suggestions for changes or improvements to ICOR.

Public Participation

This meeting is open to all members of the public who RSVP to EngagewithEOIR@usdoj.gov by 5:00 p.m. EDT on March 28, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address. EOIR will send webinar information and an agenda to those who RSVP. Attendance for this program will be limited to 500 participants.

In addition, EOIR welcomes written feedback from the public on these topics. Written submissions are due no later than 5:00 p.m. EDT on Friday, April 29, 2022.

All media inquiries should be directed to the Communications and

Legislative Affairs Division at pao.eoir@usdoj.gov.
