

CIVIL RIGHTS COMPLAINT FORM

The United States Attorney's Office, in coordination with the Civil Rights Division of the United States Department of Justice, is charged with enforcing the federal civil rights laws throughout the Southern District of Texas. The Office therefore readily receives information that brings to its attention possible violations of federal civil rights laws. The United States Attorney's Office is primarily a legal office and not an investigative agency. However, the Civil Rights Section of this Office will evaluate your complaint and may refer it to another agency for investigation or other action.
