AFFIDAVIT

I, Daniel Moxley, being duly sworn, state as follows:

1. I am a Special Agent (SA) with the Federal Bureau of Investigation (FBI) and have been so employed since July 2017. I am currently assigned to the Jacksonville, Florida Division of the FBI, where I conduct investigations in the area of child pornography. Prior to this assignment, I was employed as an Intelligence Analyst and Management and Program Analyst for the FBI for approximately 7 years. I have Bachelor's Degrees in Economics and Political Science. I have received law enforcement training from the FBI Academy at Quantico, Virginia. A substantial portion of my duties are dedicated to investigating cases involving crimes against children under the auspices of the FBI's "Innocent Images" National Initiative. Since becoming a Special Agent, I have worked with experienced Special Agents who also investigate child exploitation offenses. In the performance of my duties, I have investigated and assisted in the investigation of matters involving the advertisement and solicitation for, possession, collection, production, receipt, and/or transportation of images and videos depicting child pornography. I have been involved in searches of residences pertaining to the possession, collection, production, and/or transportation of child pornography through the execution of search warrants.

2. I have investigated and assisted in the investigation of criminal matters involving the sexual exploitation of children that constituted violations of 18 U.S.C. §§ 2251, 2252, and 2422(b), as well as Florida state statutes that criminalize the

sexual activity with minors and other methods of child sexual exploitation. In connection with such investigations, I have served as case agent, have been the affiant for several search warrants and federal criminal complaints, and have conducted interviews of defendants and witnesses. I have also acted as an undercover agent in online child exploitation cases, using the online persona of both a minor child as well as that of the parent and/or custodian of a minor child. As a federal agent, I am authorized to investigate and assist in the prosecution of violations of laws of the United States, and to execute search warrants and arrest warrants issued by federal and state courts.

3. The statements contained in this affidavit are based on information I obtained from my personal observations as well as from records and information directly provided to me by other law enforcement officers and personnel. This affidavit is being submitted for the limited purpose of establishing probable cause for the filing of a criminal complaint, and I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to believe that SETH ESTES VANOVER, a/k/a "jjdad36", a/k/a "jattleson," has committed a violation of Title 18, United States Code, Section 2422(b), that is, attempted online enticement of a minor to engage in illegal sexual activity. Based on my training and experience, I know that Section 800.04(5)(a), Florida Statutes, makes it unlawful for a person to "intentionally touch[] in a lewd or lascivious manner the breasts, genitals, genital

area, or buttocks, or the clothing covering them, of a person less than 16 years of age, or forces or entices a person under 16 years of age to so touch the perpetrator,” and that doing so constitutes “lewd or lascivious molestation.” Further, I know that Section 800.04(5)(b), Florida Statutes, provides that “an offender 18 years of age or older who commits lewd or lascivious molestation against a victim less than 12 years of age commits a life felony.”

4. I make this affidavit in support of a criminal complaint against SETH ESTES VANOVER, a/k/a “jjdad36,” a/k/a “jattleson,” that is, during the period from on or about July 25, 2022 through on or about September 19, 2022, in the Middle District of Florida, and elsewhere, SETH ESTES VANOVER, a/k/a “jjdad36,” a/k/a “jattleson,” using facilities of interstate commerce, that is, by cellular telephone and computer via the Internet, did knowingly and willfully attempt to persuade, induce, entice, and coerce a person whom SETH ESTES VANOVER believed had not reached the age of 18 years to engage in sexual activity for which a person can be charged with a criminal offense under the laws of the state of Florida, that is, the crime of lewd or lascivious molestation against a person less than 12 years of age, in violation of Section 800.04(5)(a) & (b), Florida Statutes, all in violation of Title 18, United States Code, Section 2422(b).

5. On December 8, 2020, FBI SA Christa Hocutt, who was at that time located within the Middle District of Florida, was acting in the capacity of an undercover persona and began conducting an online undercover operation designed

to identify and target adult individuals who were seeking to make contact with and engage in illegal sexual activity with minor children. While working online in an undercover capacity, SA Hocutt was logged into a particular social media application (“app”) and posted a notice on the app that read “33 tab single mom USA HMU if you know what’s good” in a public chat room titled “Tab.00CesT”. Based on my training and experience, I know that this particular app is often used to allow individual users to meet online, engage in conversation through private messages, and share photographs. I also know that this app has been used by individuals who seek to identify other individuals who are interested in meeting minors for sexual activity.

6. On the same day, app user “jjdad36” contacted SA Hocutt using the private message feature of the application. SA Hocutt exchanged several private messages with “jjdad36” from December 8, 2020 through December 11, 2020. SA Hocutt made copies of and preserved as evidence the photos and the private messages exchanged between her (referred to as the “UC”) and “jjdad36.” I have reviewed the communications that took place between December 8, 2020 and December 11, 2020 between SA Hocutt and “jjdad36” in its entirety. These conversations occurred using the particular app using a cellular telephone and over the Internet, both of which I know to be a facilities of interstate commerce.

7. I reviewed the online chat conversation between SA Hocutt and app user “jjdad36” that occurred on December 8, 2020, which read as follows:

8. I reviewed the online chat conversation between SA Hocutt and "jjdad36" that occurred from December 9, 2020 to December 11, 2020, which read as follows:

UC: Idk I just know it's a big risk for me.. I don't wanna lose her and I haven't successfully met with anyone from here yet

jjdad36: Big risk for both of us for sure

jjdad36: I mean. It really all depends on what u want her to do with me

UC: Mine more.. because I could lose her

jjdad36: I would never do anything to jeopardize that

jjdad36: But it would be sexy to have u watch

UC: Kk good

UC: Aw I'm glad that wouldn't be a problem

jjdad36: Hell we could meet. And if she wasn't up for it. No problem

UC: Well what would you wanna do though ..

jjdad36: Well she can't have full sex right?

UC: I mean she hasn't had sex yet

jjdad36: Could she?

However, I am unable to confirm with certainty that the known Internet images of VANOVER and the image of the nude adult male

standing in a bathroom sent to me by app user “jattleson” depict the same person.

I have reviewed the responsive documents which listed IP addresses 174.197.70.81 and 174.244.16.49 assigned to telephone number 903-452-8766. The subscriber of telephone number 903-452-8766 was listed as “City of Longview” with a physical address of “300 Cotton St., Longview TX 75601.” The contact listed for the account was “Seth Vanover.” The responsive documents also listed IP address 174.246.134.94 assigned to telephone number 903-736-4557. The subscriber of telephone number 903-736-4557 was listed as “Set E. Vanover” with a physical address of “182 Rolling Meadows, New Diana, TX 75640.”

35. Later on September 21, 2022, I located a website on the Internet for a business called “Lake Fork Cat and Crappie.” The website for this business listed “Seth Vanover” as a guide for fishing excursions on Lake Fork in Texas. The website contained several photos depicting VANOVER and listed the contact telephone number as 903-736-4557, the same telephone number that resolved to IP addresses used by app user “jattelson” in December 2020 and by app user “jjdad36” in 2022 as set forth above.

I have reviewed the responsive documents. These records show two relevant entries, one for “VANOVER, SETH,” and one for “Vanover, Seth.” The entry for “VANOVER, SETH” lists an arrival date of 9/7/2022, a departure date of 9/8/2022, the status as “Cancelled,” and it does not list a particular room. The entry for “Vanover, Seth” lists an arrival date of 9/7/2022, a departure date of 9/9/2022, the status as “Checked Out,” and an assigned guest room of Room 419.

39. Based on the foregoing facts, I have probable cause to believe that SETH ESTES VANOVER has used the accounts for app user “jjdad36” and app user “jattleson” in the manner described above herein.

40. Based upon the foregoing facts, I have probable cause to believe that during the period from on or about July 25, 2022 through September 19, 2022, in the Middle District of Florida, and elsewhere, SETH ESTES VANOVER, a/k/a "jjdad36," a/k/a "jattleson," using facilities of interstate commerce, that is, by cellular telephone and computer via the Internet, did knowingly and willfully attempt to persuade, induce, entice, and coerce a person whom SETH ESTES VANOVER believed had not reached the age of 18 years to engage in sexual activity for which a person can be charged with a criminal offense under the laws of the state of Florida, that is, the crime of lewd or lascivious molestation against a person less than 12 years of age, in violation of Section 800.04(5)(a) & (b), Florida Statutes, all in violation of Title 18, United States Code, Section 2422(b).
