## Foreword

### **To the Senate and House of Representatives of the United States of America in Congress Assembled:**

The Department of Justice (“Department”) submits the following report on the administration of the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 *et seq.* (“FARA” or “the Act”). Section 11 of the Act (22 U.S.C. § 621) requires the Attorney General to report every six months to the Congress concerning the administration of FARA, as well as the nature, sources, and content of informational materials disseminated and distributed by agents of foreign principals registered under the Act. This report covers the administration and enforcement of FARA for the six months ending June 30, 2024.

FARA is a disclosure statute that requires persons in the United States who are acting as agents of foreign principals and engaged in certain specified activities within the United States to register with the Department and to make periodic public disclosure of their relationships with the foreign principals, as well as to disclose activities, receipts, and disbursements in support of those activities. An important purpose served by FARA is to inform the government and the people of the United States of the identities of persons engaging in political activities for or on behalf of foreign governments, foreign political parties, and other foreign principals, so that their statements and activities can be assessed in light of their associations.

Throughout this report are hyperlinks providing direct access to all filings made by each registrant. Hyperlinks may be accessed by clicking on the registrant’s name. These links provide access to the disclosures made by foreign agents, which include activities the foreign agents have engaged in, monies received from and disbursed on behalf of foreign principals, and informational materials disseminated by the foreign agents. Additional search tools are available on the FARA website, <https://www.justice.gov/nsd-fara>.

The text of this report lists, according to geographical location or nationality of applicable foreign principal, all agents who were registered at any time during the first six months of 2024 or who reported for the first time during that period activities, receipts, or disbursements for a previous period. It includes the identities of the agents and their foreign principal(s), a description of the agents' activities, a total figure for monies received, and a listing of all individual foreign agents acting on behalf of foreign principal(s). This report, and information on the activities of foreign agents, can be accessed on the FARA website, which can be reached through the National Security Division ("NSD") website, at <https://www.justice.gov/nsd-fara>.

Improvements continue to be made to the FARA computerized records system and website. In response to the Honest Leadership and Open Government Act of 2007, FARA registrants are required to file registration statements and supplements in electronic form. In April 2011, the Department unveiled FARA eFile, a system for the electronic filing of registration statements and supplements. The system enables foreign agents to electronically file documents with the Department. FARA eFile allows registrants to register and pay the required registration fees online, 24 hours a day, seven days a week. The FARA Unit has continued to improve the eFile system, moving to a web-form fillable format for new registrants in September 2019, which streamlines the inputting of information and increases search functionality. Because of these improvements, the information contained in this report is readily available to the public on the FARA website shortly after being submitted to the FARA Unit. Additional information about FARA eFile can be found at <https://www.justice.gov/nsd-fara/fara-efile-frequently-askedquestions>.

Pursuant to regulations that the Department has issued implementing FARA, potential registrants or their counsel may request an advisory opinion regarding the applicability of

FARA. *See* 28 C.F.R. § 5.2. On June 8, 2018, the Department of Justice announced the public release of the advisory opinions issued by the Department of Justice’s FARA Unit since January 1, 2010. *See* <https://www.justice.gov/nsd-fara/advisory-opinions>. By posting these advisory opinions, the Department provides the public with guidance on how it interprets some of FARA’s key provisions. The opinions and letters are organized on the website by topic of inquiry or the aspects of the statute they discuss. Any proprietary information, including information that would identify the parties who made the requests, has been redacted. With the public posting of advisory opinions, and its continued public release of such opinions, the Department has demonstrated its commitment to improving the public’s understanding of FARA. During the six-month period from January 1, 2024, to June 30, 2024, the FARA Unit issued eight advisory opinions.

The Act does not place any limitations on the political advocacy activities of an agent, and the Department’s administration of FARA is not designed or intended to inhibit or discourage the expression of political views in any way. Registration under FARA does not imply recognition by the United States Government of the legitimacy of any particular foreign government or foreign political party. Furthermore, registration does not indicate approval by the United States Government of the activities of registered agents or the content of any informational materials they disseminate.

### **Statistical Summary**

During the six-month period ending June 30, 2024, the Department received 61 new registration statements and terminated 12 registrations. A total of 518 active registrants, representing 784 foreign principals, were on file during the period of January 1, 2024, through June 30, 2024. Individuals acting as officers or employees rendering assistance to a registrant for

or in the interests of its foreign principal filed 339 new short-form registration statements under the Act, bringing the total of short-form registrations to 2,445 during the period of January 1, 2024, through June 30, 2024. There were 119 new agreements with foreign principals reported by agents under the Act, and 70 agreements with foreign principals were terminated during this period.

Pursuant to P.L. 102-395, enacted on October 6, 1992, which authorized the Attorney General to establish fees to recover the cost of administering FARA, \$260,419.00 in fees was received during the six-month period ending June 30, 2024. A total of \$13,265,003.30 was collected between the initiation of the program and June 30, 2024.

### **Enforcement and Other Significant Actions**

In the first half of calendar year 2024, the FARA Unit conducted nineteen books-and-records inspections of FARA registrants under its civil administrative authorities.

During the same period, there were zero causes of action filed pursuant to FARA's civil enforcement authorities.

However, during the six-month period from January 1, 2024, to June 30, 2024, the Department took FARA-related criminal enforcement action against five individuals, as follows:

In January 2024, lobbyist Barry Bennett and political consultant Douglas Watts entered into Deferred Prosecution Agreements ("DPAs") to resolve the government's investigation into FARA violations at Bennett's lobbying firm, Avenue Strategies. *See United States v. Bennett*, No. 1:24-cr-00002 (D.D.C. Jan. 2, 2024); *United States v. Watts*, 1:24-cr-00003 (D.D.C. Jan. 2, 2024). In 2017, a foreign government hired Avenue Strategies to perform lobbying services, and Avenue Strategies registered under FARA. However, as part of his lobbying strategy for his foreign government client, Bennett directed Watts to establish a separate company, which Bennett operated covertly. As directed by Bennett, managed by Watts, and separately financed by the

foreign government, this unregistered company ran a lobbying and public relations campaign designed to disparage the foreign government's regional rival and thereby improve its standing with the U.S. government and public relative to this rival. Through the DPA, Bennett consented to the filing of a criminal information charging him with, among other things, willfully making false statements and material omissions in his firm's FARA filings. The information will be dismissed with prejudice after Bennett complies with the DPA's terms, which include payment of a \$100,000 fine, over the course of 18 months. Through the DPA Watts signed, he consented to the filing of a criminal information charging him with, among other things, willfully acting as an agent of a foreign principal without registering under FARA. The information will be dismissed with prejudice after Watts complies with the DPA's terms, which include payment of a \$25,000 fine, over the course of 12 months.

In April 2024, in the Southern District of Texas, a grand jury returned an indictment charging U.S. Congressman Enrique Roberto "Henry" Cuellar, and his wife, Imelda Cuellar, with bribery and violating the ban on public officials acting as agents of a foreign principal required to register under FARA, among other charges. *See United States v. Cuellar*, No. 4:24-cr-00224 (S.D. Tx. Apr. 30, 2024). The indictment alleges that Cuellar and his wife received approximately \$600,000 in bribes from two foreign entities: an oil and gas company owned and controlled by the Government of Azerbaijan that allegedly paid Cuellar to use his office to influence U.S. foreign policy in favor of Azerbaijan, and a bank located in Mexico City that allegedly bribed Cuellar to influence U.S. government activity in favor of the bank. The indictment further alleges that the bribe payments were laundered, pursuant to sham consulting contracts, through a series of front companies and middlemen to shell companies owned by Imelda Cuellar.

In a related action, Irada Akhoundova pleaded guilty in April 2024 in the Southern District of Texas to a one-count criminal information charging her with willfully failing to register under FARA. *See United States v. Akhoundova*, No. 4:24-cr-00221 (S.D. Tx. Apr. 29, 2024). According to the plea agreement, Akhoundova disbursed money to Imelda Cuellar’s company at the direction of officials at the Azerbaijani oil and gas company and leased billboards and published pro-Azerbaijan political advertising at the direction of Azerbaijani government officials.

## LISTING ACCORDING TO THE GEOGRAPHICAL AREA OR NATIONALITY FIELD OF REGISTRANTS WHOSE STATEMENTS WERE IN ACTIVE STATUS AT ANY TIME DURING THIS SEMI-ANNUAL REPORT
