UNITED STATES DISTRICT COURT DISTRICT OF NEVADA

UNITED STATES OF AMERICA,

Plaintiff,

v.

EDWIN FUJINAGA,
JUNZO SUZUKI, and
PAUL SUZUKI,

Defendants.

CRIMINAL INDICTMENT

2:15-cr- 198

VIOLATIONS:

Title 18, United States Code, Section 1341—
Mail Fraud (Counts One through Eight) (as to
all defendants);

Title 18, United States Code, Section 1343—
Wire Fraud (Counts Nine through Seventeen)
(as to all defendants);

Title 18, United States Code, Section 1957—
Engaging in Money Transactions in Property
Derived from Specified Unlawful Activity
(Counts Eighteen through Twenty) (as to
defendant FUJINAGA);

Title 18, United States Code, Section 2—
Aiding and Abetting (Counts One through
Twenty as to defendant FUJINAGA, Counts
One through Seventeen as to defendants
JUNZO SUZUKI and PAUL SUZUKI).

The Grand Jury Charges that at all times relevant to the Indictment:

BACKGROUND

1. Defendant Edwin **FUJINAGA** was a United States citizen, residing in Las Vegas, Nevada.

2. Defendant Junzo **SUZUKI** ("**J. SUZUKI**") was a Japanese citizen, residing in Tokyo, Japan.

3. Defendant Paul **SUZUKI** ("**P. SUZUKI**") was a Japanese and United States citizen, residing in Tokyo, Japan.

4. MRI International Inc. ("**MRI**") was a Nevada Limited Liability Corporation located and operated in Las Vegas, Nevada. Defendant **FUJINAGA** owned and controlled MRI as its President and CEO. MRI operated a Service Center located in Tokyo, Japan. Defendant **J. SUZUKI** was at various times MRI's Executive Vice President (Asia Pacific), and Defendant **P. SUZUKI** was at various times General Manager of MRI's Japan operations.

THE SCHEME AND ARTIFICE TO DEFRAUD

5. From at least 2009 and continuing until at least in or about April 2013, **FUJINAGA, J. SUZUKI** and **P. SUZUKI**, and others known and unknown to the Grand Jury, aided and abetted by each other, made, and caused to be made, numerous material misrepresentations and omissions designed to fraudulently induce investors to transmit money to MRI.

6. As part of the scheme and artifice, the defendants represented, among other things, that MRI was engaged in the business of purchasing medical accounts receivable

1 (“MARS”), that is, debts owed by recipients of medical services or products to the individuals or
2 entities that provided those services. MRI purported to purchase the accounts from providers at a
3 discounted rate and then collect on the accounts from the patients owing money. MRI’s profit
4 from this activity, according to the defendants, was generated from the difference between the
5 price at which MRI purchased the MARS and the amount MRI collected on them due to MRI’s
6 purportedly superior collections capability.

7 7. As a further part of the scheme and artifice, the defendants, and others working
8 with them, solicited investments in MRI by offering Certificates of Investment (hereinafter
9 “Certificates”), claiming to provide investors with consistent, predictable returns resulting from
10 its superior collections ability. The defendants marketed and sold the Certificates primarily, if
11 not exclusively, to Japanese citizens through MRI’s Service Center in Tokyo. Bearing a face
12 value equal to the amount of the initial investment, the Certificates promised a series of interest
13 payments which would accrue and be paid, along with the principal, when the Certificates
14 reached a specified maturity date. When the Certificates reached maturity, investors were given
15 the option to reinvest the total amount due and owing into a new Certificate instead of receiving
16 a “liquidation,” or cash payment of the amount they were due.

17 8. As a further part of the scheme and artifice, the defendants fraudulently induced
18 investments by knowingly publishing, mailing, distributing, and transmitting promotional
19 materials that falsely represented that MRI would use any money invested in the Certificates
20 exclusively to purchase MARS, the purported profitable business of MRI. The defendants also
21 falsely represented to investors that investment money would be held and managed by an
22 independent, third-party escrow agent in Nevada using a “lock box” method that prevented MRI,
23 or anyone else, from expending investment money for any purpose other than the purchase of
24 MARS. Based on these and other false and fraudulent representations and promises, the

1 defendants induced thousands of investors to invest a total of over \$1.5 billion in MRI
2 Certificates.

3 9. As a further part of the scheme and artifice, and contrary to all representations the
4 defendants made to investors, MRI functioned almost entirely as a Ponzi scheme, that is, money
5 solicited from new investors was used to pay prior investors' maturing investments.

6 10. As a further part of the scheme and artifice, and contrary to all representations the
7 defendants made to investors, the defendants regularly expended investor money for things other
8 than purchasing MARS, including paying themselves sales commissions, subsidizing gambling
9 habits, paying for personal travel by private jet, and other personal expenses.

10 11. As a further part of the scheme and artifice, the defendants made such other false,
11 fraudulent, deceptive, and deceitful representations as necessary to advance their fraudulent
12 scheme, conceal their fraudulent activities from others, avoid detection, enrich themselves, and
13 cause devastating losses to their victims.
