Ah, that is good to know and will not push the introduction because we do not want to steer business from Hillsdale that can be performed in Hillsdale by your docs. Thanks for the heads up.

Mike:

I needed to let you know that Dr. McCririe and Dr. March do this same work so we wouldn't want to interfere with that. Dr. Peshek is employed.

I received some concern from Hillsdale and wanted you to know.

Kulkarni is our Thoracic doc and does some NERD and GERD work. He has been meeting with the regional ENT's from Jackson, Marshall, and wants to meet with Peshek as well.

Hey Mike:

Dr. Peshek is fulltime. I feel good about that recruitment. Doesn't often happen if you know what I mean. Who is Dr. Kulkarni....does he work down in Hillsdale? Hope all is good for you and yours.

Diane,

I hope you are doing well and have your shopping done☺ Is Dr. Peshek (Hillsdale's ENT) full time or part time? I cannot remember how long he has been in Hillsdale as I would like to introduce our Thoracic Surgeon Dr. Kulkarni to him. Any other info you can share that would be of huge benefit.

Thanks,
