This information technology and information system is provided for U.S. Government-authorized use only. You have no reasonable expectation of privacy when using this information technology and/or information system and

**You will be sent  
a confirmation e-mail to the  
address you provided**

and/or seize data transiting  
use may result in  
penalties.

all DOJ applications and networks, including remote access. All end users authenticate to DOJ Login primarily with Personal Identity Verification (PIV) credentials. Temporary exemptions are permitted only for users who cannot authenticate with PIV. DOJ Login leverages alternate authentication credentials to enable secure sign in for exemptions.

You must activate your account before your request can be approved. After clicking on the link, your account will be locked and you will not be able to access DOJ Login until your account request is approved. Please disregard any "Sign In Denied" messages you receive after clicking the link.

You will receive an email from your requested application once your request has been approved.

To activate your account, please click the following link:

**Select the Activate Account button in the e-mail which will then display a code**

### **Additional Assistance**
