MEMORANDUM FOR THE ATTORNEY GENERAL

THROUGH: THE DEPUTY ATTORNEY GENERAL 

FROM: Steven A. Engel 
Assistant Attorney General, Office of Legal Counsel

Edward C. O'Callaghan 
Principal Associate Deputy Attorney General

SUBJECT: Review of the Special Counsel's Report

At your request, we have evaluated Volume II of the Special Counsel's Report on the Investigation into Russian Interference in the 2016 Presidential Election to determine whether the facts recited therein would support initiating or declining the prosecution of the President for obstruction of justice under the Principles of Federal Prosecution, (b) (5)

[REDACTED]

For the reasons stated below, we conclude that the evidence described in Volume II of the Report is not, in our judgment, sufficient to support a conclusion beyond a reasonable doubt that the President violated the obstruction-of-justice statutes.¹ (b) (5)

[REDACTED] Accordingly, (b) (5) we would recommend, under the Principles of Federal Prosecution, that you decline to commence such a prosecution.

(b) (5)

¹ Given the length and detail of the Special Counsel's Report, we do not recount the relevant facts here. Our discussion and analysis assumes familiarity with the Report as well as much of the background surrounding the Special Counsel's investigation.

Subject: *Review of Special Counsel's Report*

Page 9

RECOMMENDATION: We recommend that you conclude that, under the Principles of Federal Prosecution, the evidence developed during the Special Counsel's investigation is not sufficient to establish that the President committed an obstruction-of-justice offense.
